NORWELD

UTE TRAYS AND CANOPIES

CANOPIES

A 4WD vehicle with a canopy is driving on a dirt road in a rugged, hilly landscape at sunset. The sky is filled with warm, orange and yellow light, and the hills are silhouetted against the bright horizon. The vehicle is positioned in the lower right quadrant of the frame, moving away from the viewer. The overall scene conveys a sense of adventure and exploration.

YOUR JOURNEY STARTS HERE

Elevate your 4WD with a high-quality aluminium ute canopy from Norweld. Built tough to last a lifetime, our canopies are designed to suit your every need, whether you're a hardworking farmer, tradie or off-road adventurer.

CANOPIES BUYING GUIDE

This guide is built to help you find the right canopy for your needs.

No matter the adventure, Norweld trays and canopies are engineered to withstand the toughest conditions, backed by a lifetime warranty on all workmanship.

1. FULL-TIME OR WIND-OFF

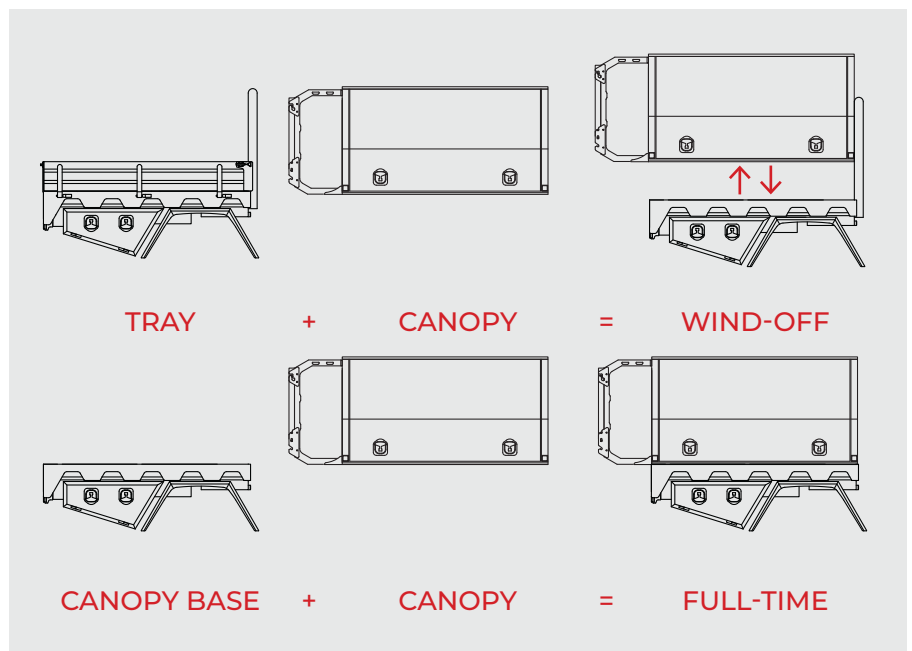

As part of our commitment to quality, Norweld canopies are built exclusively to suit our range of trays and canopy bases.

WIND-OFF CANOPY

This Norweld tray and canopy system allows you to remove your canopy and utilise the deck space of your Norweld Tray with 76mm mandrel bent tube headboard.

FULL-TIME CANOPY

Norweld full-time canopy bases retain full features of our trays, including rear trundle drawer, under tray poly water tank and toolboxes, without the tube headboard.

2. BASE DECK LENGTH & VEHICLE SIZE

Depending on the size of your vehicle Norweld has a tray or canopy base to suit. The table below outlines what length tray and canopy base is compatible with which vehicles.
