## WHO ARE WE?

The All Wheel Drive Club of Sydney was formed in the early 1980's and has become the leading 4WD club on the north side of Sydney, with over 300 members of all ages. We are a social and family friendly club and are committed to treating all 4WD tracks with environmental responsibility and care, so that others may enjoy them for many decades to come.

## WHAT TYPES OF VEHICLES DO OUR MEMBERS DRIVE?

We are not focused on any one particular vehicle manufacturer. Our members have experience in a broad range of 4WDs, from Toyota and Nissan, to Land Rover, Mitsubishi, Suzuki, Jeep, Ford and Mazda. Providing your vehicle has 4WD low range with selectable gearing, adequate ground clearance and rated recovery points, you are welcome to join.

## SOCIAL ACTIVITIES

Not only do we undertake a range of 4WD trips, club members can also participate in a variety of social events. These include Gourmet Weekend, AGM monster raffle, camp fire cooking and the Club's annual Christmas party.

## DRIVER INDUCTION

No matter your previous experience, from the 4WD novice to the well-travelled veteran, all new members undertake the club's driver induction course, comprising a theory evening and a practical weekend camp away. The cost of this is included in the Club's joining fee.

## CLUB TRIPS

Every year our trip calendar provides the opportunity for members to participate in day, weekend, or extended touring trip. Some trips are also specified as camper trailer friendly, as we have a number of members who enjoy towing that extra load of comfort!

## CLUB MEETINGS

We invite you to be our guest at one of our friendly monthly meetings. These are held on the second Tuesday of the month, usually at Club Belrose, from 7.00pm for a 7.30pm start. At times we may meet at one of our sponsor's premises, so it's always a good idea to let us know beforehand if you'd like to attend – just email [president@awdc.com.au](mailto:president@awdc.com.au) or visit our website [www.awdc.com.au](http://www.awdc.com.au).
