COMFORT				
Composite sandwich panel made from European FRP sheets and the core is a closed cell rigid extruded polystyrene. These are custom made inhouse CNC routed to precision that increases the insulation properties of the motorhome. Not only class leading U-Values for insulation properties but the closed cell eliminates leaks and water ingress and has excellent strength and a superior finish. There is no risk of rot or rust and the panels will outlast the life of the vehicle.		~	~	
Motorhome hatch fan with x4 speed and suck in or out function		~	~	
Inside Shower - Full size gelcoat shower with internal toilet and hard door. Large shower head with mixer- can be handheld. Extraction fan plus LED light		V	~	
Shower walls colour coded to vehicle - Front/Side/Rear	\$1,125	0	0
