100+ YEARS OF EXPERIENCE IN THE PACKAGING INDUSTRY BERLIN PACKAGING

THE WORLD'S LARGEST HYBRID PACKAGING SUPPLIER OF GLASS, PLASTIC AND METAL PACKAGING AND CLOSURES.

BERLIN PACKAGING (QINGDAO) CO.,LTD

COMPANY PROFILE

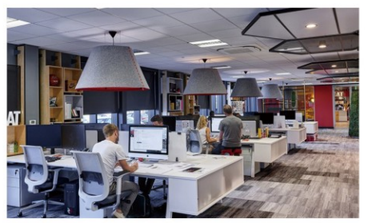

Berlin Packaging APAC is a leading provider of comprehensive packaging solutions across the Asia-Pacific region.
As part of Berlin Packaging, a global hybrid packaging supplier, we combine world-class expertise with local market knowledge to deliver high-quality packaging solutions tailored to various industries, including food & beverage, cosmetics, pharmaceuticals, and industrial sectors.

WHO WE ARE

Berlin Packaging APAC specializes in supplying glass, plastic, and metal packaging, along with closures, decoration, and labeling services.
We work closely with manufacturers and suppliers across the region to ensure a reliable and cost-effective supply chain for our customers. Our extensive network allows us to provide both stock packaging solutions and fully customized designs that meet specific client requirements.

OUR SERVICES

1.Packaging Design & Customization

◇We offer full packaging design services, including custom mold development for bottles, jars, and containers.
◇Our in-house team collaborates with clients to create innovative and functional packaging that enhances brand identity.
◇Custom decoration options such as silk-screen printing, embossing, and hot stamping add premium finishes to the final product.

2.Supply Chain & Logistics

◇With warehouses and production partners across Asia, we ensure efficient and timely deliveries.
◇Our logistics team optimizes inventory management, providing “fast-from-stock” solutions to help businesses scale quickly.
◇We support global shipping with a seamless supply chain process to minimize lead times and costs.

3.Quality Assurance

◇We enforce strict quality control measures throughout the manufacturing process, from raw materials to final product inspection.
◇Our quality team ensures compliance with international packaging standards, providing certifications as required.
◇Rigorous testing, including strength, compatibility, and sealing integrity, guarantees durable and reliable packaging.

4.Decoration & Labeling

◇We provide premium decoration services, including spray coating, UV printing, and metallic finishes.
◇A wide range of labeling solutions is available, such as pressure-sensitive labels, shrink sleeves, and direct printing.
◇Custom branding options help clients create distinctive packaging that stands out in competitive arkets.

WHY CHOOSE BERLIN PACKAGING APAC?

◇Global Strength, Local Expertise: As part of Berlin Packaging,
we leverage global resources while catering to the unique demands of the APAC market.
◇End-to-End Solutions: From design to distribution, we provide a full-service approach,
simplifying the packaging supply chain.
◇Competitive Pricing: Our strong supplier partnerships and production capabilities ensure
cost-effective solutions without compromising quality.
◇Sustainability Commitment: We offer eco-friendly packaging options,
including recyclable materials and lightweight designs to reduce environmental impact.

Beverage Bottles

A strong and durable option,
glass beverage bottles are nonporous,
protecting products from contaminants,
and ensuring that contents maintain their original odor and flavor.
Glass does not leach chemicals into products,
and it maintains its quality and rigidity even after repeated use,
making glass bottles a popular package.

WINE BOTTLES

Wine Bottles

Berlin Packaging offers different styles of wine glass bottles,
along with their features and uses,
including bordeaux bottles, burgundy bottles,
champagne bottles, Riesling bottles and other bottle types.
Wine bottles come in a variety of sizes and colors such as classic green and amber,
which help keep out ultraviolet radiation and preserve the flavor and aroma of wine.
Bottles can be fitted with cork or threaded cap closures,
and handheld and semi-automatic machines make corking and capping faster.

Spirits Bottles

Spirits bottles come in a variety of different shapes and sizes,
and many are made of glass.
Glass is nonporous and impermeable,
which protects contents from contamination.
Glass spirit bottles contain alcohol well,
and they ensure that the flavor and odor of the contents are preserved.
Berlin Packaging can provide a variety of added value,
such as labeling, frosting, hot stamping, etc.,
to make your products and brands more outstanding.

PHARMACEUTICAL BOTTLES

Pharmaceutical Bottles

Pharmaceutical bottles are made from glass materials
and are available in a variety of sizes.
They are a good choice for packaging both liquid and solid products.
Choose colors such as clear,
which improves content visibility, or amber,
which help protect light-sensitive products from ultraviolet radiation.
