# ABOUT *US*

Established in the year 1995, Hotpack has been the industry leader in providing quality solutions for food packaging. We have been pioneering the efforts to manufacture and distribute packaging solutions for variety of industries including consumer packaged goods, retail, hospitality, health-care, pharma and construction. In a very short span of 26 years, we have become largest manufacturer in the region for diversified products that include paper, aluminum and plastics products. The operations include 12 manufacturing plants having more than 2 million sq.m. of manufacturing area with state-of-the-art equipment, logistics & warehousing support. We are present in more than 25 locations worldwide that include Middle East, UK, North and South America and most of African countries. We strive to deliver value by offering highest quality at affordable pricing. Our strength is our relationship management that has enabled us to achieve long customer retention. All our plants possess relevant international quality certifications and are having experienced personnel to follow good manufacturing practices. All this has enabled our exports to expand to more than 96 countries worldwide.

# PET *products*

## HINGED CONTAINERS

From the deli counter to the bakery table and everything in between, our clear hinged containers are perfect for salad bars, deli treats or fruit packing. With its one piece hinged construction, the product offers super water vapor barrier to ensure longer shelf life. These clamshell deli containers provide an added convenience to the customers allowing them to take out the culinary creations with them on the go!

## CUPS & LIDS

Whether for iced beverages, smoothies, frozen drinks, on-the-go snacks or parfaits - Hotpack Clear PET cups and lids give your product the high-end look and feel. Made of crack-resistant, 100% recyclable PET, these cups have outstanding strength and durability. Hotpack offer high quality customized printing upto 8 colors on most of our PET plastic cold cups at competitive prices.

## PASTRY CONTAINERS

Hotpack's Pastry container series offer clear solutions that address both the protection and presentation of delicate bakery and patisserie products, while minimizing environment impact, thanks to the lightweight, but strong, 100% recyclable PET used in the production. Ideal for stackable, single and multi-use usages.

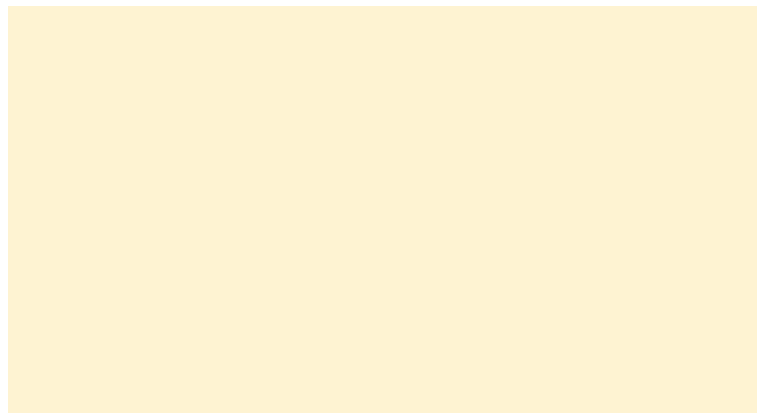

## SUSHI TRAYS

Best presentable and durable option to pack delicate sushis and pastries. Hotpack's 100% recyclable sushi trays in Black color with textured base is perfectly designed to hold contents like sushi rolls in place and prevent them from moving around. These stylish trays available in multiple sizes are a perfect treat to your eyes when packed with attractive patterns of sushi or pastries at food counters.

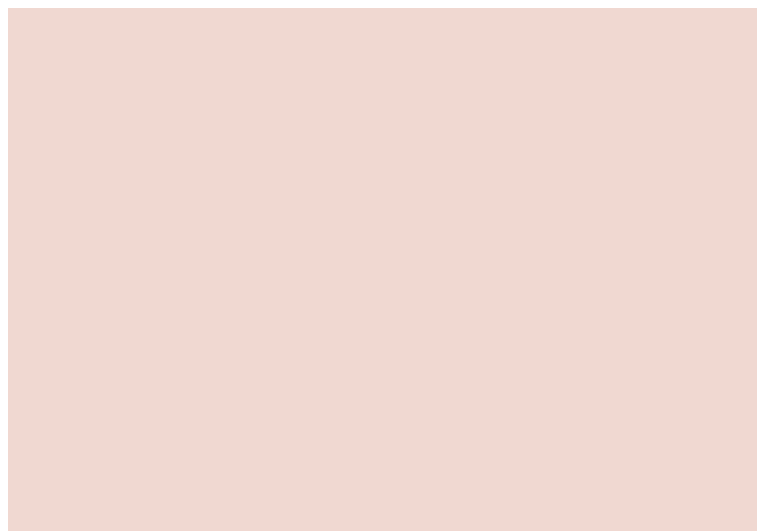

## SPECIALTY PRODUCTS

Fruits and vegetable packing needs special packaging solutions. Our clear PET punnets are lightweight, high clarity and durable available with matching lids. The perforated holes allow the produce to breathe, encouraging the airflow, thereby promoting respiration and longer shelf life for the packed products. Available in multiple sizes and colors.

## DELI CONTAINERS

Ideal for packing cut fruits, candies, nuts or granolas, salad and many more, these deli containers in round and square shapes offer your valued customers the ultimate deli experience. The tight fitting single lid for all sizes provide leak-free, high clarity solutions of unmatched precision and durability. Optional matching inserts also available for your convenience.

# PAPER *products*

## PAPER BAGS

Right from square bottom bags to flat satchel bags and handle bags, Hotpack offers a wide range of 100% recyclable paper bags to choose from. Using kraft material from FSC approved mills, our paper bags are known for its strength and reliability. Complimented with high quality printing options, our paper bags add value to the whole shopping experience for customers.

## PAPER CUPS

Hotpack is specialized in producing high quality paper cups from 4 oz to 24 oz. Available with multi color food safe printing, we have cup options for Hot beverages like coffee, hot cocoa, cappuccino, tea etc as well as cold beverages like fresh juices, colas, mojitos, cold coffee etc. Single wall, double wall, ripple cups and embossed ripple cups are produced in our factory. Matching reclosable lids also available.

## KRAFT BOXES AND TRAYS

Sustainable Kraft boxes and trays are available with us in a wide range of sizes and shapes. These Kraft boxes and trays are customizable. These sturdy products are designed to hold hot greasy food products as well as sweet delicacies. The rustic, raw appearance further enhances visual presentation of food and offer perfect delivery options without leaks or spills.

## DIECUT BOXES

We produce a wide array of die cut boxes, trays and other products in various sizes for food and hospitality industries. Cake boxes, pizza boxes and trays are some of the products in our exhaustive range. Food safe printing of highest standards also undertaken. Customized products are also produced based on customer demands.

## NAPKINS & TISSUES

Our Tissue production plant produces high quality paper tissues and rolls. Our fully automatic production lines produce 864 kilometers of tissues each day! Maxi rolls, toilet rolls, kitchen rolls, bed rolls, Napkins, facial tissues, interfolds and V-Folds are some of the popular products offered to our valuable customers.

# TAKE OUT *products*

## MICROWAVABLE CONTAINERS

Our microwavable containers are available in transparent and black color options in round and rectangular shapes. These are perfect carry-out and delivery containers that are highly durable, microwave safe, refrigerator safe, dishwasher safe and reusable. Suitable for hot and cold food, these products are recyclable and leak resistant.

## BLACK BASE CONTAINER

Hotpack offers an extensive range of black base deli containers in round, rectangular and square shapes for take-out and pre-packaged meals alike. These containers made from polypropylene are microwave safe, dishwasher safe, reusable and recyclable, and can withstand hot temperatures. Available in various sizes with flawlessly matching spill proof lids.

## TABLEWARE

Our thermoforming division produces high quality plates, trays, cups and bowls. Made from high quality polypropylene material, these products are available in various sizes and shapes. We have just the right size of product for you whatever be the occasion. These are reliable cost-effective products available in a wide array of sizes and pack sizes to choose from.

## SECTION CONTAINERS

When your customer needs specialized deli options with multiple sections to pack main dish and side items, Hotpack offers a wide array of solutions. These products are just the right one for grab-and-go, delivery and take out options. Available in 2, 3, 4, 5 & 6 compartment containers with matching lids.

## CUTLERY

Hotpack produces single use cutlery in various sizes, shapes and thickness to satisfy all your foodservice requirements. Available in White, transparent and black colors, our specially engineered cutlery offers improved strength and perfect grip. We also produce cutlery packs either individually wrapped or set options.

# FOILS & FILMS

## ALUMINIUM FOILS

Hotpack branded aluminium foil is ideal for packing food parcels and baking, also offering perfect shield while cooking or barbecuing meat, fish or poultry, thereby sustaining maximum flavor and aroma of the food. Available in various sizes, thickness and packing styles - both retail packs and catering packs. Also available is our special embossed aluminium foil offering extra strength and quality.

## ALUMINIUM CONTAINERS

Hotpack produces aluminum containers in rectangular, square, round and oval shapes of various sizes and specification. These stackable containers and platters resist grease and oil and seals original flavor in them. Available with matching laminated lids. Multi section containers and embossed platters also available.

## CLING FILMS

Hotpack cling film offers excellent sticking properties and a tight sealing preventing any air from getting in. Our cling films come in attractive dispenser boxes with cutting edge ensuring easy pull out and cut open and are highly transparent without wrinkles, uneven thickness or bad odor. Available in retail packs and catering packs, and can be customized as per customer demand.
