## Features

- Food Grade FDA & EFSA certified
- Water & CSD bottle application
- Application up to 100% rPET bottle

## Products

Property	Unit	Specification
Intrinsic Viscosity	dl/g	0.8±0.02/0.84±0.02
Color L	–	≥65
Color b	–	≤2

## Applications

Mineral Water

Soda

Fruit Juice

Tea Drink

## Company Profile

## 3 Business Units

Reduce, Recycle, Reuse

## 6 Production Bases

Malaysia, Vietnam, Zibo, Shanghai, Lu'an, Zhenjiang

## 50,000 Tons/Year

PET Bottles

## Cutting-edge Equipment

- Automatic Washing System
- Automatic Sorting Equipment
- Automatic Sheet Production Line

## Quality Control

Advanced testing instruments, professional R & D team

## Environmental Contribution

+150,000 Tons/Year
