# OUR GREEN FOCUS

*Responsible Packaging Solutions*

At TigerPak, we believe we all have a responsibility to do our bit. That's why we've implemented our **Green Focus** program. We are committed to providing you with the option of earth friendly products. We are continually sourcing products that don't harm the environment to add to our range. As the program evolves and new products and initiatives are introduced we will ensure you are well informed of the green alternatives. It's all part of our commitment to our customers and the environment.
