## CAN MAKER

**Aerosol tin cans | Food cans | Accessories**

# ABOUT US

**Canpac was established in 1984 in Malaysia specializing in manufacturing and distributing Aerosol Tin Cans.** In the year of 2004, Canpac built a plant in Binh Duong province, Vietnam, manufacturing aerosol tin cans and food cans for domestic and export.

Canpac is fully equipped with **the latest metal printing & can-making machines from Europe with a well-experienced team and skilled labor** which is an asset to the company and benefit to its clients. Canpac guarantees you the highest quality standards in all aspects of manufacturing products. It has well-developed and expanded the business towards global market needs for domestic and exports. Canpac has been supplying to major multinational Europe customers. We also export to Australia, Cambodia, Taiwan, Indonesia, and the Philippines.

Top priority, Canpac takes all possible steps to **maintain quality and safety** at its factory.
