HESHAN ZHONGXING LAMINATED PACKING CO.;LTD.

Heshan Zhongxing Laminated Packing Co., Ltd. located in Jiangmen city of Guangdong Province. Established in 1993, we specialized in plastic flexible packaging with 30 year's rich experience. With most advanced equipment and 4 production lines, we have big capacity to satisfy customer's requirements. Our products ranges include all kinds of premium quality flexible laminated pouches. As a professional packaging supplier, we have excellent teams who focus on product development & design, quality control and inspection, sales and after-sales service. In order to supply the best products and services, we have built a modern quality management system, which is in strict accordance with international standards. We obtained the ISO9001 and BRC certification, products are passed the SGS Testing Approval. We have our own independent laboratory, from the raw material to finished products, every step is tested strictly to check the qualification of products. We always insist on "Quality First, Reputation First, Customer First". Adhering to the business principle of mutual benefits, we have had a good reputation among our customers because of our perfect services, quality products and competitive prices. Warmly welcome all of you to cooperate with us for common success and development.
