## ABOUT US

Shantou Linghai Plastic Packing Factory Co., Ltd. is a professional manufacturer for thermoforming plastic and biodegradable packaging. Our factory located in Shantou, Guangdong province, near airport and fast train station, which is very convenient. We ship directly from Shantou port to all over the world. Shenzhen port, Xiamen port and Guangzhou port are all nearby as well.

Our products are used for fast food, fruit, vegetable, bakery and beverage etc. The material we used including PET, PP, PS, BOPS, PLA and sugarcane.

Our 35000M<sup>2</sup> dustfree workshop has 8 advanced extrusion line, for PP/PS/PET roll, 2 sets of thermoforming machines from KIEFEL Germany and more than 30 sets of high speed fully automated machinery. The daily output for plastic sheet is 150 tons, and 100tons for final products.

We have our own molding department. There are 9 CNC machines, assist our customers in developing new, customized products exclusively. 3-7 days only for single cavity aluminum sample mold!

With high quality products and systematic management, we passed authentication of ISO 9001:2000, QS and UK's BRC Global Standard.

Since 1992, our commitment to quality in design and manufacture as well as excellence in service makes us stand out as an industry leader. YOUR IDEA IN PACKAGING! Contact us now for New, innovative products to meet all your plastic packaging needs!
