STRAPPING HEADS

Photo: TR2000

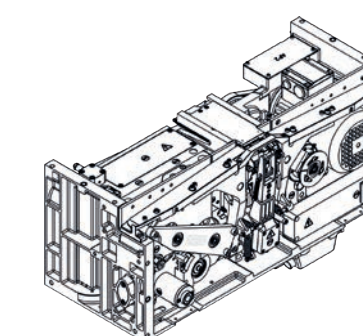

TR1400-1400HD

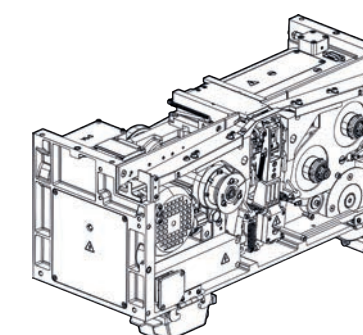

Strap type	PP - PET
Strap width	9 ÷ 16 mm
Strap thickness	0,6 ÷ 1 mm
Max feeding and recovery speed	5,5 m/s
Strap tensioning	2300 N
Utilization temperature	-10° ÷ 50° C
Noise level	< 70 dB
Options	Strap refeeding device

TR1800

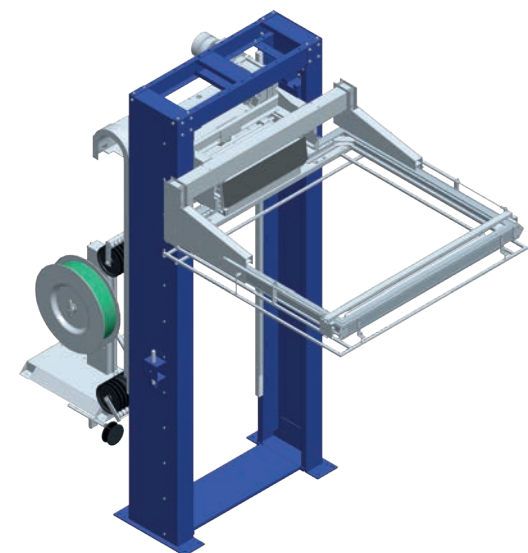

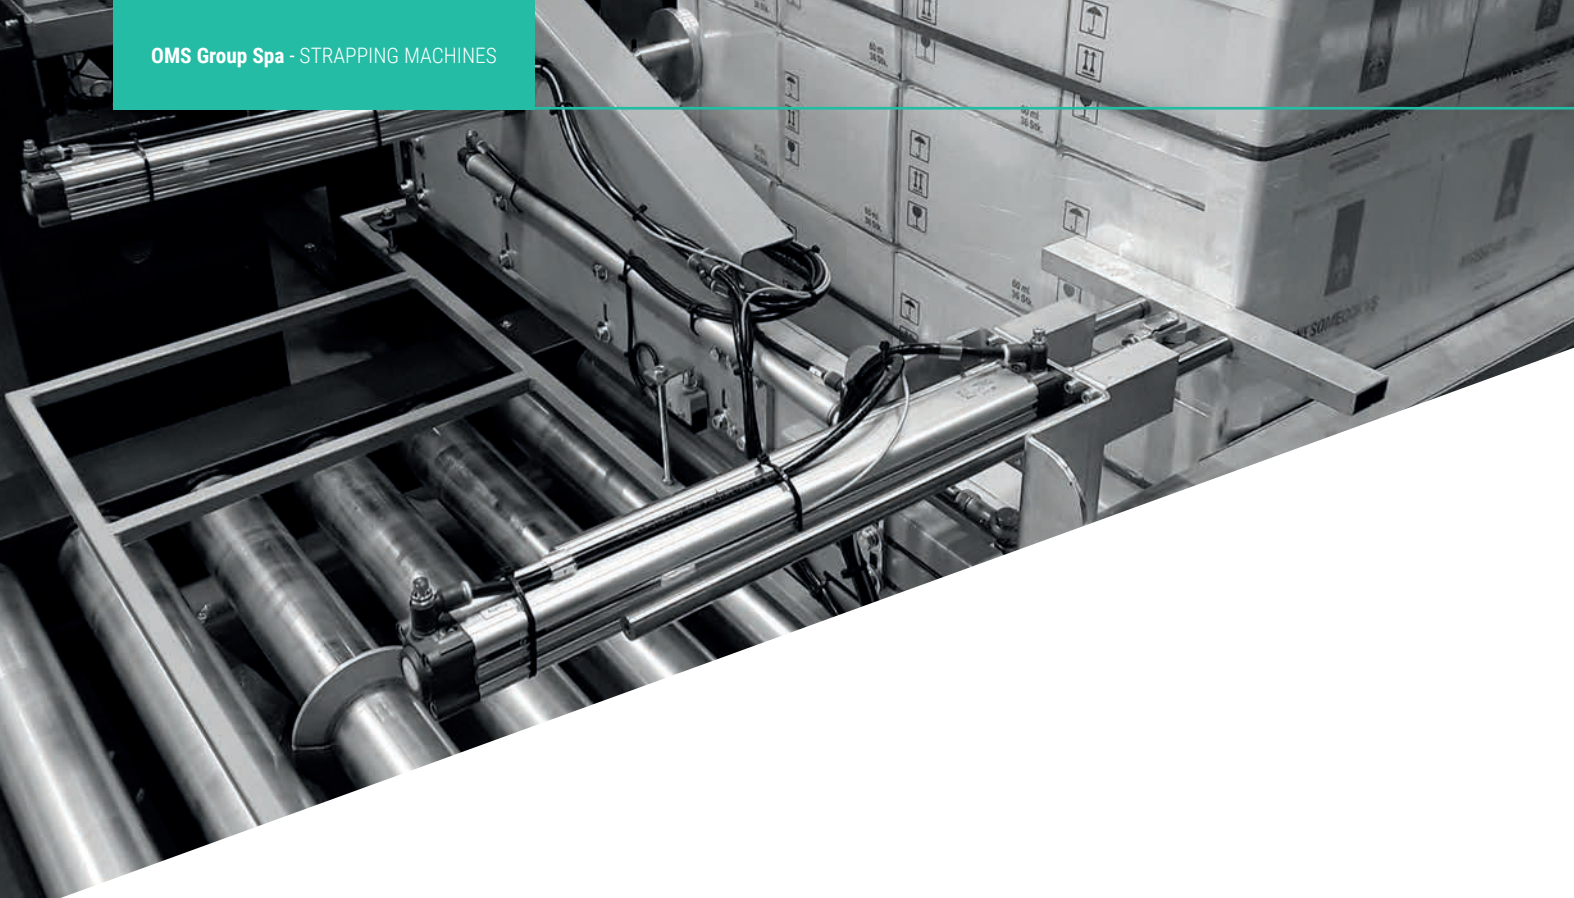

Strap type	PET
Strap width	12 ÷ 19 mm
Strap thickness	0,6 ÷ 1 mm
Max feeding and recovery speed	2,7 m/s
Strap tensioning	4000 N
Utilization temperature	-10° ÷ 50° C
Noise level	< 70 dB
Options	Strap refeeding device

TR2000

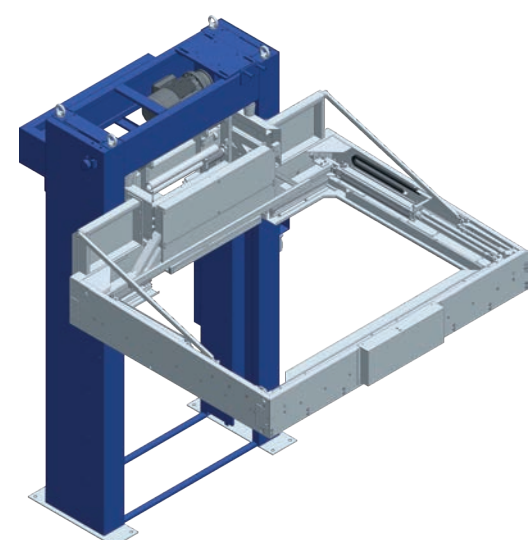

Strap type	PET
Strap width	16 ÷ 19 mm
Strap thickness	0,8 ÷ 1,3 mm
Max feeding and recovery speed	2,7 m/s
Strap tensioning	7000 N
Utilization temperature	-10° ÷ 50° C
Noise level	< 70 dB
Options	Strap refeeding device

06RP
Horizontal strapping machine

Strapping heads that can be used | TR1400 / TR1400HD (PET / PP)
TR1800 (PET)

- Applications:**
- Construction
 - Plastic/Cans
 - Glass

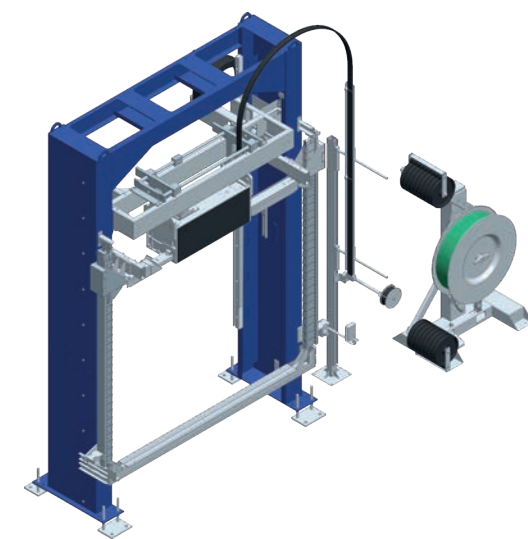

06C
Horizontal strapping machine

Strapping heads that can be used | TR1400 / TR1400HD (PET / PP)

Options

- Edgeboard application device
- Model 06CL with compactor only for Glass

- Applications:**
- Construction
 - Ceramic
 - Glass

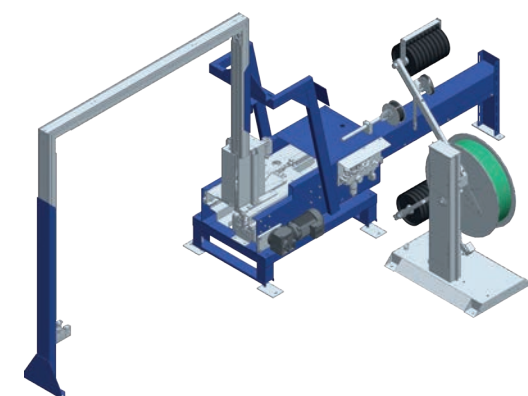

08RP
Vertical strapping machine

Strapping heads that can be used | TR1400 / TR1400HD (PET / PP)
TR1800 / TR2000 (PET)

Options

- Shifting device
- Sword
- Model 08RPH only for Glass

- Applications:**
- Ceramic
 - Paper
 - Wood & profiles
 - Plastic/Cans

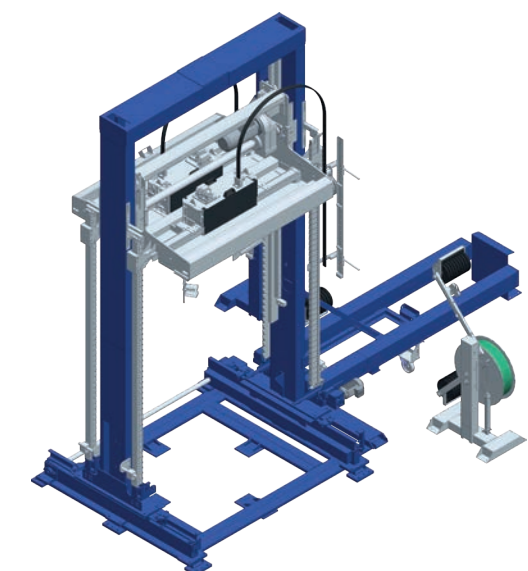

0875AB
Lateral strapping machine with movable head and sword

Strapping heads that can be used | TR1400 / TR1400HD / SONIC Plus (PET / PP)
TR1800 (PET)
TR200 (PP)

Options

- Available model 0875 (fixed arch & head)
- Available model 0875A (fixed arch & movable head)

- Applications:**
- White goods
 - Plastic/Cans

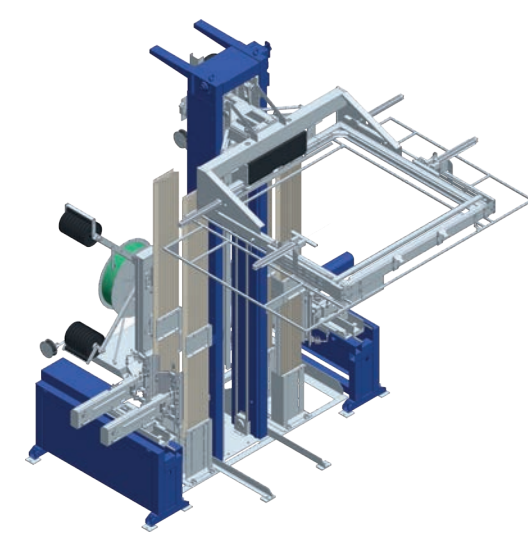

078-082
Vertical strapping machine with press

Strapping heads that can be used | TR1400 / TR1400HD (PET / PP)
TR1800 / TR2000 / SONIC Plus (PET)

Options

- Shifting device

- Applications:**
- Paper
 - Cardboards
 - Glass

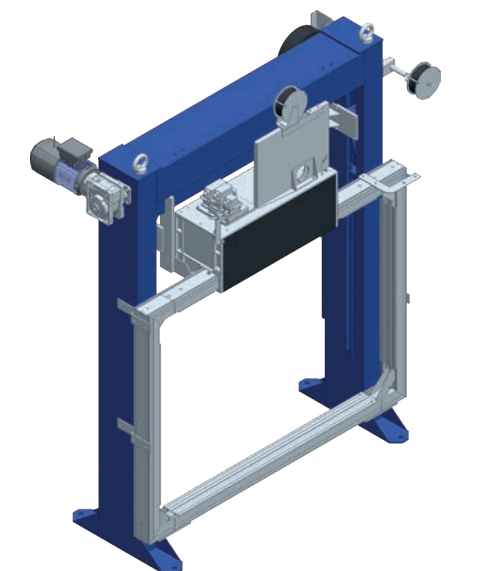

06GS
Horizontal strapping machine

Strapping heads that can be used | TR1400 (PET / PP)
TR200 (PP)

Options

- Edgeboard application device

- Applications:**
- Fruit

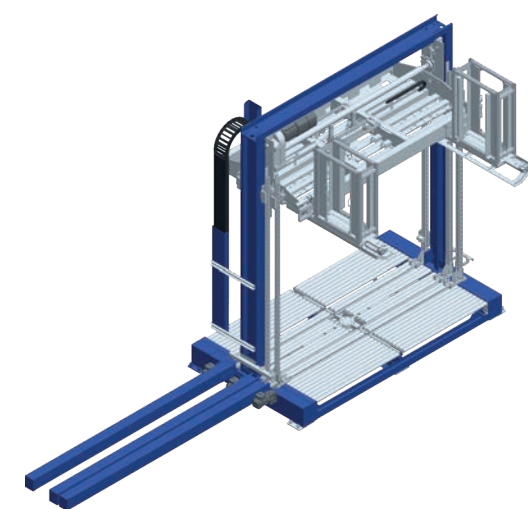

043
Vertical strapping machine

Strapping heads that can be used | TR1400 / TR1400HD / TR2000 (PET / PP)

Options

- Edgeboard application device

- Applications:**
- Ceramic

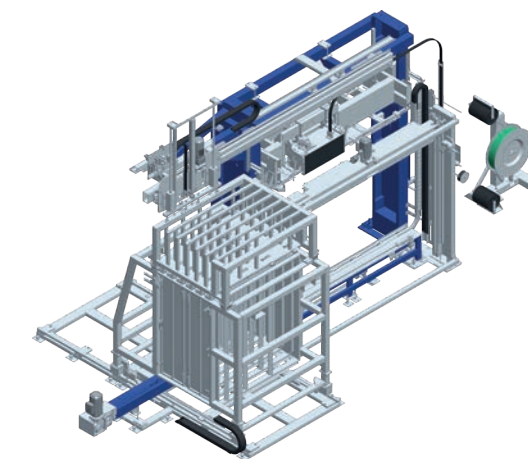

PRESS MASTER PLUS
Cardboard strapping press

Strapping heads that can be used | TR1400 / TR1400HD / SONIC Plus (PET / PP)

Options

- Upper & lower edge cardboard applicator
- Lift and turn device
- Centering device

- Applications:**
- Cardboards

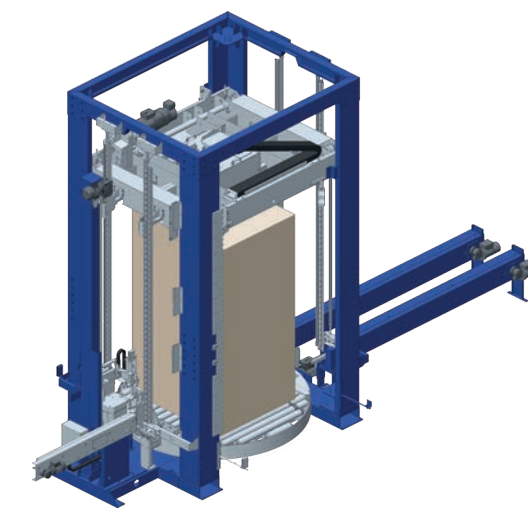

08L
Vertical strapping machine timber and chipboard

Strapping heads that can be used | TR1400HD / TR1800 / TR2000 (PET)

Options

- Upper & lower edgeboard application device
- Upper, lower and lateral wooden runner device

- Applications:**
- Wood & profiles

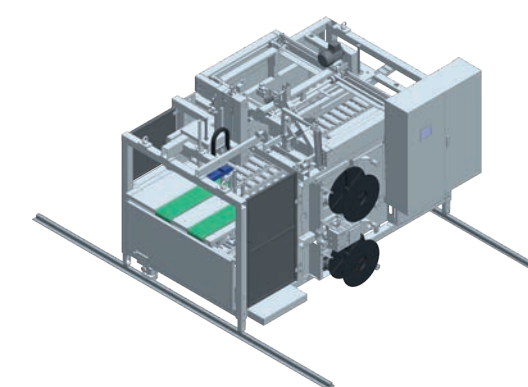

AVFP2
Combined strapping/wrapping machine

Strapping heads that can be used | TR1400 / TR1400HD / SONIC Plus (PET / PP)

Options

- Edgeboard application device

- Applications:**
- Cardboards

ISM300-ISM600
In-line bundle square

Strap type | Polyester (PET) - Polypropylene (PP)

Options

- Automatic shifting device
- Automatic coil exchange

- Applications:**
- Cardboards
