How we can help you

Zembla business energy reviews 2023

We help businesses  
save **time**  
and improve their  
**bottom line**

# Who is Zembl?

Zembl is at the forefront of the energy space.

We work with leading retailers to find you a competitive deal for your business on electricity or gas, then do all the legwork on the spot so you start saving, fast.

We provide expert guidance and know the data and detail of navigating the complex energy market.

Malmet Australia saved  
**\$13k+** p.a.  
on energy costs

By talking to his Zembl Energy Consultant, Peter of leading Australian manufacturer Malmet Australia made a significant annual saving on their energy costs.

Aurora Foods saved  
**\$20k+** p.a.  
on energy costs

By talking to his Zembl Energy Consultant, Dominic of family gelato & dessert manufacturer, Aurora Foods saved thousands on their business' electricity costs (and locked in the saving for 5 years to come!)

# Why choose Zembl?

## No obligation

Our business energy service is free and you are under no obligation to take the offer we present to you

## Leading Aussie suppliers

We work with leading Aussie suppliers so you can be sure we are finding you the most competitive deal

## Trusted industry experts

We've been around for the better part of 15 years, in that time we've been trusted by over 45,000 Aussie businesses

# Zembla's business energy review process

Step 01.

## Upload

Your latest energy bill.

Simply leave your contact details to get a fast call-back from one of our local Energy Experts. If you can upload a bill we'll review your savings ahead of the call.

**We respect your privacy**

Step 02.

## Consult

Speak to an Expert.

One of our energy experts will call you to discuss your options and confirm all the details of any saving they are able to find. The saving review takes less than 3 minutes.

**Strictly confidential**

Step 03.

## Switch

Yes, it's that easy.

If one of our Energy Experts finds you a saving we can switch you on the spot. After a few simple questions we'll notify your old supplier and set you up on the new.

**Obligation-free service**

Ongoing.

## Support

We're here to stay, for your entire contract

Our dedicated Zembla Team will provide support throughout your contract, if and when, you need it!

**That's the power of Zembla**

# With Zembl, you can get it all

## Business Energy Reviews

We work with leading retailers to find you a competitive deal for your business on electricity or gas, then do all the legwork on the spot so you start saving, fast.

## Commercial Energy Procurement

We leverage our market intelligence and industry relationships to negotiate on your behalf, ensuring you receive the best possible prices and terms. We also offer \$0 annual VAS charge per site.

## Residential Energy

Much like our Business Energy Review service, we work with leading retailers to find you real-time competitive market rates for your home electricity or gas, then finalise your new rates on the spot.

## Business Insurance

From Public Liability to Cyber Liability, we have tailored solutions available to suit every business need.

## Business Finance

We have access to over 40 of Australia's leading lenders to help find the right finance for your business. Whether it's for vehicles, equipment or expansion let Zembl support your business growth goals

## Sustainability Goals

Whether through carbon off-setting, renewable energy sources, or tailored sustainability solutions, your account manager will help you understand and compare your options to reduce your environmental impact.

# Let's get started

We look forward to supporting your business energy review.

If you'd like us to begin, please don't hesitate to us a call or email through your latest energy bill and we can get things kicked off.

Yours sincerely,

**The Energy Experts**
