# WATERLESS CLEANING ROBOT

## AOTING BOTS

Wiping, sweeping and vacuuming all in one robot.

Next-Level Efficiency and Safety: The Aoting Bot redefines cleaning efficiency and safety, utilizing advanced technology to ensure thorough cleaning without the hazards of water use.

## ABOUT SPILLZ

Spillz connect our customers with the best cleaning equipment and machinery to clean their facilities and solve their cleaning challenges.

We source and import quality, long-lasting equipment that cleans better, faster and safer.

## PRODUCT HIGHLIGHTS

### “True” Unmanned Cleaning

Complete cleaning coverage. Wipes, sweeps and vacuums - with auto-charging and scheduled tasks for all-day upkeep.

### Delicate Floor Wiping

Soft microfiber bristle roller brush and fast wiping leave no dust behind.

### Quadruple Filtration System

The quadruple filtration system, rated HEPA, guarantees the air it releases is clean and has zero impact on the environment around it.

### Compatible With Carpet & Hard Floors

Works on carpet, marble, epoxy resin, terrazzo, tile, cement tile, PVC, and other hard floors. Comes with an optional carpet cleaning brush for deeper carpet cleaning.

### Whisper Quiet Cleaning

The highly efficient silent system does not exceed 63dB during operation.
