

PAGOECO System

Labelling machine for round products

Type:	S600ECO-S, G1004667/68
Products:	round products, bottles, cans
PAGOMat:	6M S170L
Passage width:	170 mm
Precision:	★★
Performance:	★★★
Labelling:	from side, round
Product diameter:	30 - 70 mm
Product height:	100 – 220 mm
Performance:	max. 80 Prod/min
Label roll:	diameter max. 400 mm

Conveyor speed:	fixed 8 – 20 m/min
Conveyor width:	110 mm
Conveyor height:	850 mm +100/-50 mm
Conveyor length:	1500 mm
Running direction:	☐ left to right ☐ right to left
Controls:	end of label rolls, signal lamp
Connected values:	230 VAC, 50/60 Hz, 7 A
PLC:	Siemens Logo
Potential free contacts:	ERR-R error relays output PWA-RE prewarning relays output RDY-RE ready relays output
Base frame:	stainless steel levelling mounts
Electrical cabinet:	stainless steel
Compliance:	CE
Delivery time:	8 weeks for standard system
Sales price:	31'600.00 € / 37'900.00 CHF
Options:	☐ castors instead of mounts ☐ conveyor length _____ mm ☐ speed synchronized
