About

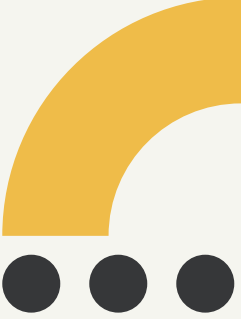

- At KPPL, we specialize in manufacturing high-quality carrier, garbage and paper bags that are made with a customer-first approach.
- Our expertise lies in producing bags with high-tech materials followed by an intense quality-check process.
- Our state-of-the-art manufacturing facility, located in Daman, boasts an annual capacity of 36,000 tones. Accredited with ISO 9001:2015, ISO 14001:2015, ISO 45001-2018 & Sedex, BSCI, FSC recognized by the Government of India as a star export house,
- KPPL is a key packaging manufacturer and exporter that's technology-driven and nature-first. This is how we've become a credible packaging manufacturer with a global reach.
