

# Total Packaging Solutions

Scholle IPN's mission is simple; to help the world's leading brands deliver their products in the best way possible using a diverse range of total flexible packaging solutions. We are tenacious innovators with a long history of applying technology in film, fitments, and equipment to solve difficult packaging problems.

Our products are manufactured everywhere so we can serve anywhere with a flexible, "can-do" attitude.

## Why Choose Flexible Packaging?

### Effective Use of Resources

#### Maximized performance

due to unrivalled quality design and engineering.

#### Less transportation

required with more efficient logistics.

#### Less raw material

and natural resources used during production.

#### Less product waste

with excellent shelf life capabilities to keep product fresher, longer.

#### Less energy

required during production and transportation.

#### Less package waste

with optimized product-to-pack ratio and recyclable options.

# Our Products

## Film

From time-sensitive, fresh foods and beverages to aggressive chemicals and sensitive pH products, our flexible packaging solutions are designed to protect your product and keep it safe from fill through final dispensing. We offer:

- Recyclable film solutions that enable you on your journey towards a more circular economy.
- Barrier protection designed to keep your product safe and extend secondary shelf life.

## Fitments

Scholle IPN injection molds and assemblies fitments designed to provide an ergonomic interaction with your product for all ages and abilities.

- **Caps and Taps:** Ergonomic, easy-to-use solutions designed for people of all ages and abilities.
- **Connection Systems:** Facilitate safe, precise dosing and mixing of liquid products from dispensers.
- **Environmentally-Conscious:** Designs engineered to be lightweight and with the Earth's limited resources in mind.

## Equipment

For over 60 years, Scholle IPN and Bossar have engineered, built, and serviced a wide range of forming and filling equipment for flexible packaging, including bag-in-box and spouted pouches. From manual fillers for start-ups to fully automatic, aseptic-capable bag-in-box and spouted pouch HFFS systems, we have what you need to provide a diverse range of products in flexible packaging.
