

Nissan Patrol 4WD Club of NSW & ACT Inc

ABOUT US

The Nissan Patrol 4WD Club of NSW & ACT Inc ("the Patrol Club") was formed in 1976. Originally formed to promote the Nissan Patrol motor vehicle, membership is now open to all makes and models of 4WD.

The Patrol Club is family friendly and offers many varied driving and social activities, providing members the opportunity to make new friends, learn new skills and increase enjoyment of their vehicles and the Great Australian outdoors. Club members participate in 4WD trips ranging from day trips or weekend getaways around Sydney to longer treks exploring iconic locations around this beautiful country.

We recognise that most of our members' vehicles are also their 'daily drives' and we do not set out on tracks with the intention of damaging vehicles.

We also adhere to the 'Tread Lightly' philosophy of caring for our bushland.

Enjoy trips to:

- Caves to Caves Blue Mountains
- Sunny Corner
- Stockton Berach
- Cape York
- Canning Stock Route
- Mungo National Park

DRIVER EDUCATION

The Patrol Club is proud to offer members a range of free courses to help everyone get the most out of their vehicles and prepare the family for bush adventures.

Our Driver Training program is typically held on the weekend after our General Meeting at the Club's 230 acre property in the Southern Tablelands. It covers theory, off-road driving and basic recovery techniques. Successful completion of the course is required before participating in any club trips.

Other courses regularly offered include:

- Advanced off-road driving techniques;
- Advanced recovery
- Sand driving
- Trip preparation
- Basic First Aid
- Bush Maintenance
- Trip Planning & Leading

Most courses are included in your membership may be taken as many times as you wish.

Nissan Patrol 4WD Club of NSW & ACT Inc

WHY BECOME A MEMBER?

Membership of The Patrol Club entitles you to a range of benefits, including:

- Access to our extensive Driver Training Program.
- Use of the Club's 230 acre property in the Southern Tablelands.
- Free tagalong trips to bucket list locations with experienced trip leaders.
- Access to the combined knowledge and experience of fellow club members.
- The opportunity to meet people who share your passion for the great outdoors.
- Club shop offering certified recovery equipment & accessories at reduced prices.
- "On Patrol" magazine delivered to your inbox quarterly.
- Affiliation with the 4WD Association of NSW & ACT, provides our members with benefits like:
 - Conditional registration (CVS) for eligible vehicles.
 - Access to chainsaw and accredited first aid courses.
 - Discounted insurance premiums on vehicles and caravans, trailers etc.

CLUB LAND

The Patrol Club is very proud to own a 230 acre property located near Goulburn in the Southern Tablelands. It's just a 2½ hours' drive from Sydney and only an hour from Canberra.

Driver training is regularly held on our purpose-built 4WD tracks, where members can practice their 4WD skills.

Regular Club social events occur at The Land too.

The land is a lovely spot for a weekend getaway or a great base to explore the Southern Tablelands area.

There is a large shed with BBQ facilities and a great fire pit as well as solar lighting, toilets and hot shower facilities all at The Land.
