

Twistlok® Pro Plate Lip G.E.T. Solution

Bradken's safe install and removal Plate Lip G.E.T. range offers a comprehensive range of point designs to suit every application.

Combined with Bradken's design expertise in lips, Bradken's Twistlok® Pro Plate Lip G.E.T. range provides you with the following benefits:

- Fast and safe installation of points
- Reduced fit wear between nose and adapter
- Increased point and adapter life
- Interchangeable with existing adapters
- Suitable for all digging conditions

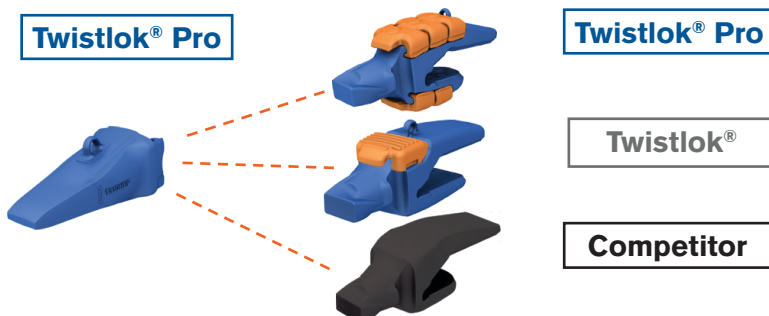

Twistlok® Pro Point Styles

Compatible

Twistlok® Pro points are compatible with existing Twistlok® adapters and competitor's adapters with a helix style nose.
