PROMOTE YOUR INDUSTRY

- Unique opportunity to highlight the vibrancy of working in your industry or organisation.
- Help future employees discover the diverse roles and career paths within your industry, broadening their horizons and igniting their passion.
- Play your part to nurture local talent and inspire future generations in the Northeast.

POOL YOUR EFFORTS

Imagine the possibilities when we all come together to share insights, showcase advancements, and explore new opportunities.

Your Future Expo is not just an exhibition; it's an opportunity to showcase innovation, foster collaboration, and inspire the next generation of talent.

SHOW OFF YOUR SUPERPOWERS

Exhibit in one of our industry zones:

- Automotive & Advanced Engineering
- Construction & Housing Innovation
- Gaming, Software & Technology
- Health & Wellbeing
- Retail, Hospitality & Tourism
- Stage, Screen & Sound

OR do more on the show floor:

- Welcome Discovery Zone
- Future Employability Zone
- Enterprise & Innovation Zone
- Strut your stuff in a SEMINAR
- Tell your story in a TED-STYLE TALK
- Take your space in a 6m² stand

PLUS outside concession space available

FOR PEOPLE, PLACES & PLANET

- Use your own sustainable materials
- Apply modern methods of building your displays
- Source local, affordable, recyclable goods for event materials
- Provide prizes or giveaways modelled from repurposed industry or company items

THINK DIFFERENTLY

Why not incentivise your own apprentices or ambassadors to design, build and staff your exhibit and/or deliver a TED-style talk.

Divert suppliers or customers to contribute to the same cause to save time and effort.

PLAY YOUR PART IN OUR FUTURE
