April 3-5, 2022

Boston Convention & Exhibition Center
Boston, MA

New England Food Show (NEFS) is the region’s largest restaurant and foodservice event serving both the foodservice and retail sectors. The latest products, services, and technologies will be showcased along with a comprehensive and leading-edge program of education and demonstrations that provides restaurants, retail, and foodservice establishments from New England with the best tools to grow and improve their business.

Rebuild and Reconnect

For over 50 years the New England Food Show has been a resource for the region’s foodservice and hospitality community. As things continue to change and progress as society moves into a new normal, show management is striving to ensure that NEFS will be a beacon in helping this beloved industry rebuild.

With the 2020 and 2021 events being forced to cancel due to the pandemic, 2022 will be critical for the community to come together to reconnect. After this exceptionally challenging time, there will be more demand than ever for suppliers to help provide the products, technology, and guidance that restaurants, industry professionals, and operators need.

The health and safety of all participants will be of the utmost importance and show management will be implementing new procedures, following updated industry guidelines, and communicating with all participants on a regular basis. We cannot wait to reconnect the industry in April 2022 and hope you will join us.
