Collaborate With Peers

Join the industry for the fourth edition of Techno Security & Digital Forensics Conference in San Diego, California.

The California edition will allow attendees within the West Coast region to gain all the knowledge, networking, and training that the brand provides to the cybersecurity/digital forensics industry without traveling too far from home base. Cybersecurity and digital forensics is a growing field with an ever-increasing need for more training, education and access to suppliers in all regions. The San Diego event will also benefit sponsors by bringing them together with new prospective customers that they would not otherwise meet at our Myrtle Beach conference.

The goal for Techno Security & Digital Forensics Conference is to deliver a unique conference experience that blends together the digital forensics and cybersecurity industries for collaboration between government and private sectors. These events will continue to be a valuable resource for IT security professionals granting an opportunity for discussion and information, while bringing together the industry's leading decision makers with the aim to raise international awareness of developments, teaching, responsibilities and ethics in the field of cybersecurity and digital forensics.

To ensure the event delivers the highest possible quality conference and attendees, the 2022 program will again feature vendor neutral, hands on, relevant and current seminars offering an opportunity for attendees to earn CPE credits within the following seminar tracks:

- **Audit/Risk Management**
- **eDiscovery**
- **Forensics**
- **Information Security**
- **Investigations**

Sponsor Packages

Our streamlined sponsorship packages include electrical service, material handling fees, carpeting, tables and chairs so you can focus on your event marketing and not the logistics of organizing, ordering and providing separate payment to multiple onsite service providers.

An allotment of full conference passes is provided with each sponsorship. Your company knows who they need to see to have a successful event — let us help you get them there. Show management is available to help each sponsoring company invite

and attract their top clients, prospects and VIP's, with additional personalized follow up to ensure their registration and host hotel accommodations are secured with simplicity and ease.

Product presentations/demos included at the Platinum and Gold sponsor levels. Based on feedback from attendees and sponsors alike, and to keep the sales pitch out of the educational line up, the 2022 event will feature dedicated sessions to learn specifically about the features and benefits associated with various sponsor products.
