Furniture Manufacturing Expo is the opportunity to exhibit and take part in the only trade show in the U.S. showcasing the largest gathering of suppliers and the latest solutions for manufacturers of furniture.

Over two days, attendees have the chance to engage with exhibiting suppliers and see first-hand the latest innovative products, equipment, and machinery as well as gain a better understanding of the services and new technology making a critical impact on their warehousing, logistics, finance, and the bottom line. The show also features an engaging education program developed by leaders in the upholstery, woodworking, and consulting industries.

Exhibiting at Furniture Manufacturing Expo will provide your company with the opportunity to get face-to-face with top decision makers from the U.S. furniture manufacturing industry.

Who Should Exhibit?
