NEW ENGLAND RESTAURANT & BAR SHOW

Booth Variance Request Form

March 21 - 22, 2027 | Thomas M. Menino Convention & Exhibition Center | Boston, MA

Specific guidelines for standard linear and perimeter, peninsula, and island booths can be found in the "Guidelines for Display" information of this manual. If you have an unusual situation (automobiles, live animals, etc), a booth not meeting the specified guidelines, or a booth with structure exceeding maximum height, please complete and return this form by Monday, Feb. 22, 2027.

Variance requests must be approved by Show Management and will only be accepted in written format. Please complete the following form and return by email to:

Penny Everett, Operations Manager
Penny.Everett@ExpoDevCo.com

NOTE: Variance request forms **WILL NOT** be accepted unless a diagram of your exhibit is included with your variance request form. You will be notified of approval or disapproval within 10 business days of Exposition Development Company, Inc receiving the form.
