# Collaborate With Peers

Join the industry June 4-6 for Techno Security & Digital Forensics Conference in Wilmington, NC.

Join us in Wilmington, North Carolina for the 25th anniversary of Techno Security & Digital Forensics Conference flagship East coast event. Attendees will once again join us for the exceptional line-up of education, networking and hands on exploration of the newest technology solutions to improve and streamline workflow, while achieving better results in day-to-day business environments.

The unique conference blends together the government and private sectors to raise international awareness of developments, teaching, training, responsibilities, and ethics in the field of IT security and digital forensics. Now with an East and West coast location, the brand has grown into one of the most important resources for corporate network security professionals, federal, state and local law enforcement digital forensic specialists, and cybersecurity industry leaders from around the world.

The mix of sessions and speakers covering current and relevant topics attracts attendees eager to learn and explore new products and solutions. The 2023 event welcomed 960 industry professionals from 43 states, the District of Columbia, and from 33 different countries.

To ensure the event delivers the highest possible quality conference and attendees, the 2024 program will again feature vendor neutral, hands on, relevant and current seminars offering an opportunity for attendees to earn CPE credits within the following primary seminar tracks:

**Primary Session Tracks:**

- Cybersecurity
- eDiscovery
- Forensics
- Investigations

**Titanium Sponsor Tracks:**
