# Welcome to Adventa...

## Manufacturers of instant products, ready for you to 'just add print'

Adventa was established in 1983 and has grown from small beginnings to become one of the largest global manufacturer of instant products.

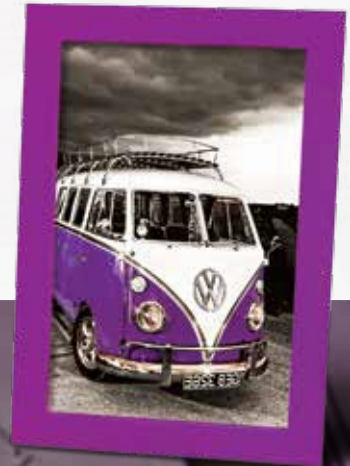

Our purpose built factory in Mid-Wales with state-of-the-art machinery and automation uses 'lights out' manufacturing techniques to operate round the clock. This investment in technology enables us to compete in the global markets we increasingly serve.

We have skilled and imaginative engineers and designers using the latest 'CAD/CAM' software to turn ideas and concepts into market leading products. This steady stream of new products has become the hallmark of Adventa and resulted in the company becoming market leaders in instant 'just-add-print' products. We have a long list of patents and designs registered to protect the uniqueness of our range.

For your peace of mind we control the whole manufacturing process from the specification and procurement of bulk materials, through design, manufacture and quality control to dispatch.

## Our Vision...

“Be the number one **specialist supplier** of **instant print products** globally, accomplished through **relentless innovation**.”

Automation

Choice

Ambition

# Innovative Design & Development

Our specialist designers are fully equipped to turn unique ideas into world class products.

## Idea Generation

- a. Analyse market & customer needs
- b. Discuss new ideas

1

## Evaluation 1

- a. Concept testing – we visualise the finished product using our CAD/CAM software
- b. Return on investment verification

3

## Development

- a. Build a model
- b. Test in market

4

## Evaluation 2

- a. Finalise product
- b. Start production
- c. Start marketing campaigns
- d. Register designs & patents

5

## Involvement

- a. Listening to feedback and enhancing product further
- b. Print & bespoke products

Do you have any ideas...?

Take advantage of our experience, design and innovation skills. Our product design team will help in the development of successful new products.

# We Manufacture...

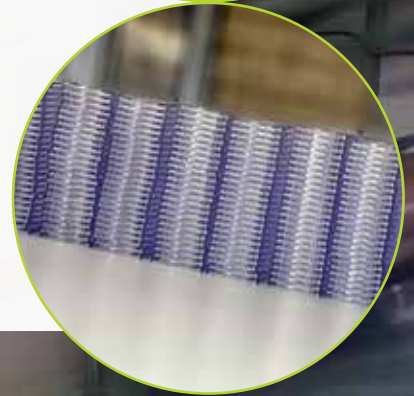

At Adventa we manufacture in our own factory and stock products in our warehouses in the UK and USA, for fast delivery to your door.

- 24hr Lean Manufacturing
- Experience with a range of material such as: glass, acrylic, board and MDF
- Custom built glue lines
- 12 highly automated robot systems

# See for yourself...

Come to our factory to see how our quality products are manufactured from start to finish.

# We care...

Harnessing the latest automation developments enables us to achieve competitive world class manufacturing costs with a low carbon footprint.

- Use motion Sensitive LED Lights
- Recycle all plastic
- Recycle all cardboard

## Corporate Social Responsibility

We bring you safe products from suppliers you can trust

- Our suppliers are fully audited
- Regular product safety tests including EN71

# We get results...

Our production means our products have these benefits...

## Fast

Our average assembly time is 23 secs.

## No heatpress required

Safe - no more burnt fingers!  
Cost-effective - no expensive equipment, ideal for multiple installations.  
Quality - because the products use professional photo prints.

## Unique patented products

We design our own products to ensure they assemble easily and you get the quality you need.

# Global Service...

Frictionless global logistics, serving customers with 2 warehouses. Shipping worldwide to over **30 countries**

## How to place your order with us...

### New Development ‘Online Ordering System’

- Order the full Adventa product range online
- Easy to repeat orders
- Fast & easy to use

\*Ask our sales team for more information about registering.

# Key to symbols...

We use the icons below throughout our catalogue and our website in order to help answer the questions you may have regarding our products.

**INSERT SIZE**

Size of insert in inches and mm needed to be inserted into the product

**MULTI CUT**

Multi-cut plate is available to cut product inserts

**PER BOX**

Quantity of products per box

**MADE IN UK**

Product has been manufactured within the UK

**TO MAKE**

How many seconds it takes to assemble the product with photo

**2 WEEKS**

Early order needed for non-stock lines. Minimum quantity applies

**CUTTER**

Hand cutter is available for product inserts

**STOCK IN NJ**

The product is stocked in our US warehouse, New Jersey

**SPECIAL**

Bespoke colours are available - Min qty applies. Production times are approx.

The icons will be displayed within the product information tables at the bottom of each page.

# QuickPro Direct

Wall Art

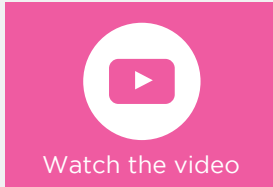

The QuickPro Direct saves time and money. This user friendly canvas uses a specially engineered frame that allows you to print your image directly onto the frame itself without the print cracking once folded. Leaving you with a premium canvas without needing extra canvas material and without having to wrap around the frame, substantially decreasing the production time, cost and staff required.

PRODUCT CODE	INSERT SIZE	MADE IN UK	PER BOX	TO MAKE
<b>A</b> QPDC1620	16 x 20"   406 x 508mm	✓	12	55

## How to...

- Print directly onto the frame
- Remove the labels from the longest sides, bend at the second crease and stick down flat
- Pull up the sides to create the border wrap
- Pull up the final two sides and insert the tabs into the slot and click into place
- Your canvas is finished

# Mail Safe Box

A premium engineered presentation carrier which comes in 3 sizes to suit all QuickPro canvases. This durable box comes with a sturdy plastic sleeve to protect the print as well as hold the canvas in position. With strong thick sides this carrier will ensure you can mail out your canvases with no risk of damages.

# Active Mugs

## A Active Thermal Mug

Make a mug with standard size photos - 4 x 6" or 5 x 7". Keeping hot drinks hotter for longer! Large 15 oz.430ml capacity, fits most can holders. Features an ergonomic handle plus sliding slipper-lid.

## B Seam Cover for 4 x 6" and 5 x 7" Photos

Neatly covers the join when using standard size photos. Fits both AT02 and AT68 Active Mugs. Simple to slide in once the photos are in place.

PRODUCT CODE	INSERT SIZE	MADE IN UK	PER BOX	TO MAKE
A AT02	4 x 6", 5 x 7"   101 x 152mm, 127 x 178mm		36	25
B ATSC	4 x 6", 5 x 7"   101 x 152mm, 127 x 178mm	✓	36	45

### How to...

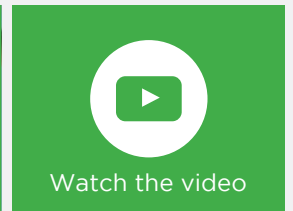

1 Roll up and insert print

2 Drop the lid in

3 Clamp together using the jig.

[www.youtube.com/adventa](http://www.youtube.com/adventa)

## A Active Flow Mug

Contemporary 'flowing' design twin-wall travel mug. Works well with either 6 x 8" or 6 x 9" photos. No jig required for assembly - simply screw together. Click down slipper lid, fits can holders, ergonomic handle.

## B Active Flow Insert

Make a mug with standard size photos - 4 x 6" or 5 x 7". Die-cut insert holds two standard print sizes. Reversible - gives choice of black or silver design.

PRODUCT CODE	INSERT SIZE	MADE IN UK	PER BOX	TO MAKE	MULTI CUT
A AT68	6 x 8", 6 x 9"   152 x 203mm, 152 x 228mm		36	31	MPC-AT68
B AT68I	4 x 6", 5 x 7"   101 x 152mm, 127 x 178mm	✓	1		

### How to...

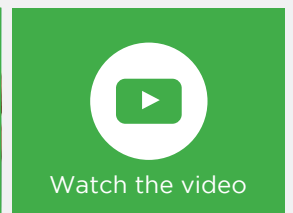

1 Landscape 6x4: Push picture into slots / Portrait 6x8 or 6x4: Position photo on card

2 Roll up print tightly and slide into the mug

3 Drop in the top and turn until it clicks into place. Screw on base ... finished!

Create the perfect gift...

Inspire...

## Eco...

A core purpose for us here at Adventa is that we try to be as environmentally friendly as possible right from the materials we source, to production, right through to how we conduct business.

For our range of shopper bags we use 100% Jute, therefore using sustainable fibre that has been spun into coarse, strong threads. Using a natural ingredient such as Jute not only means it is better for the environment but it is also very durable, perfect to create a sturdy shopper bag.

# Jute Bags
