

SMART FACTORY TRAIL

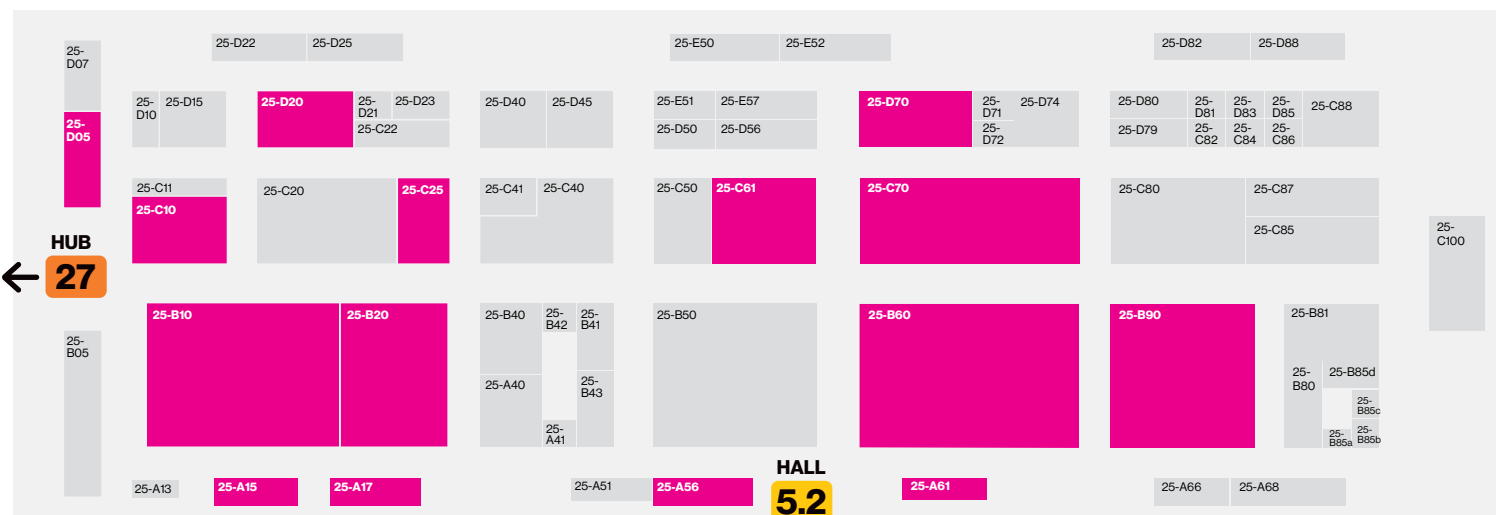

This comprehensive trail takes you on a journey around FESPA 2025 where you can explore the latest innovations from all the exhibitors on smart on-demand digital technologies and solutions which enable personalisation, as well as reducing waste and increasing production efficiencies so that you can make more for less.

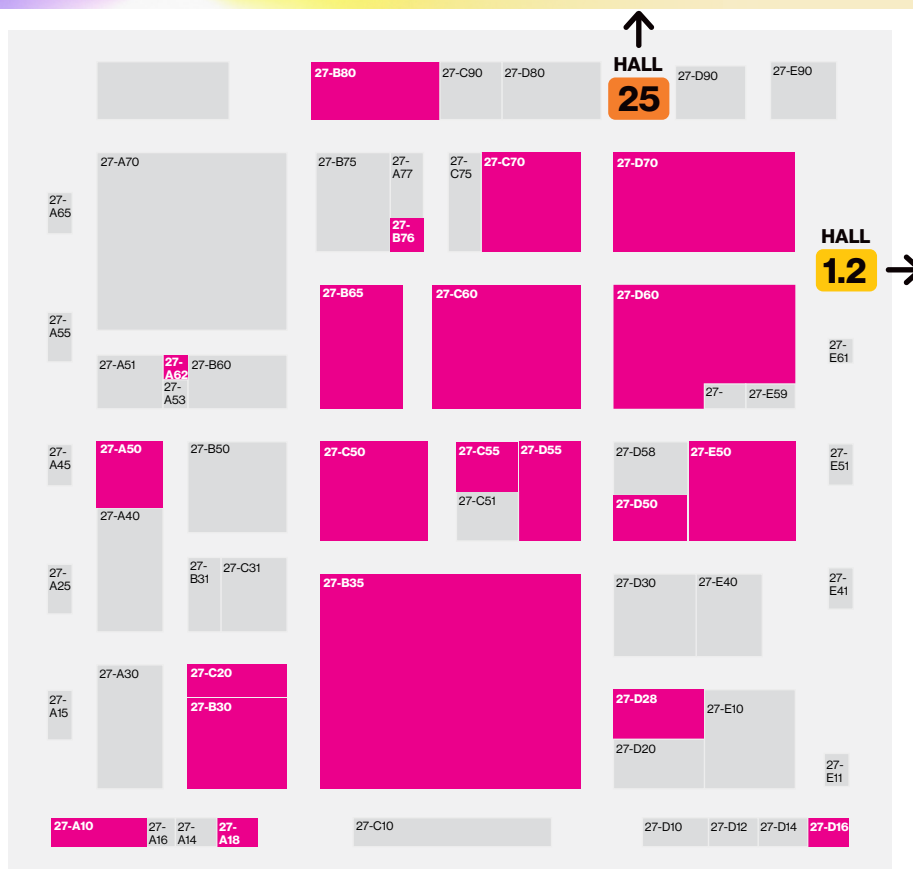

6-9 MAY 2025
BERLIN

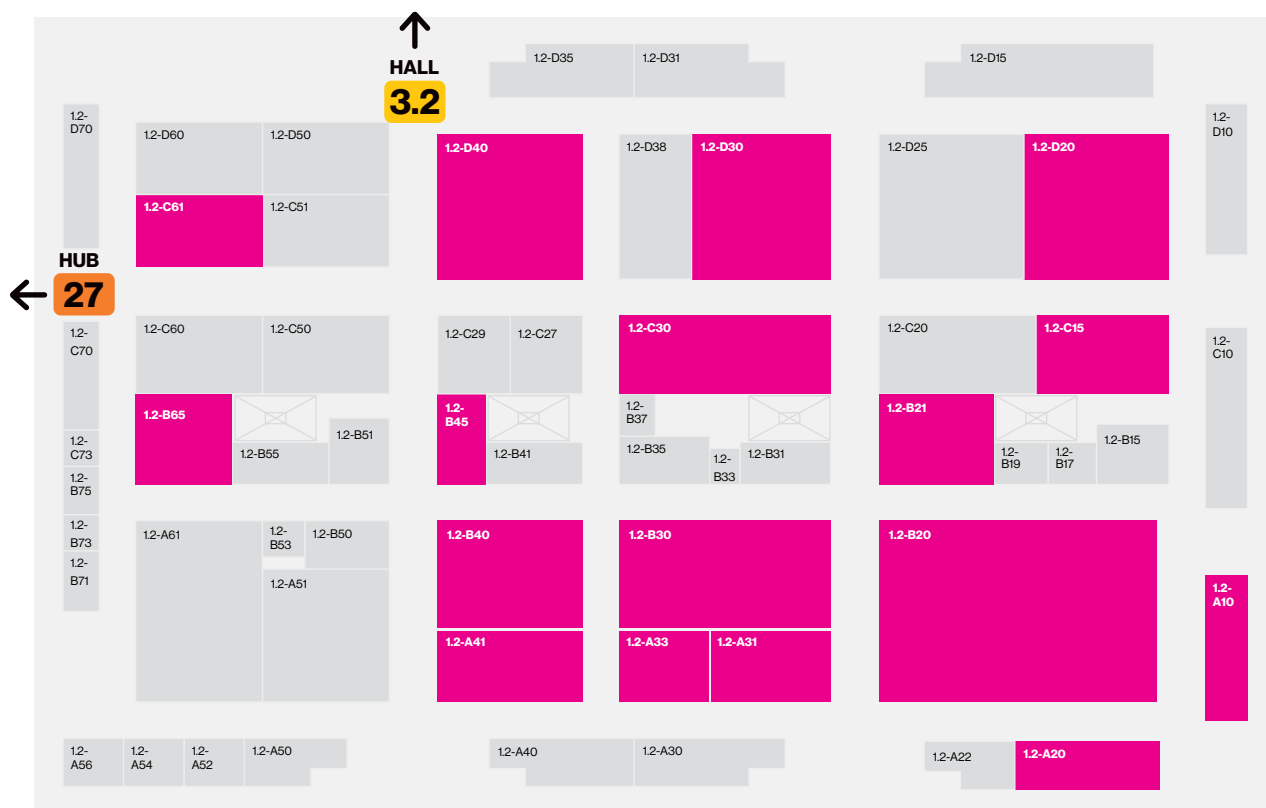

Berlin
6-9 May 2025

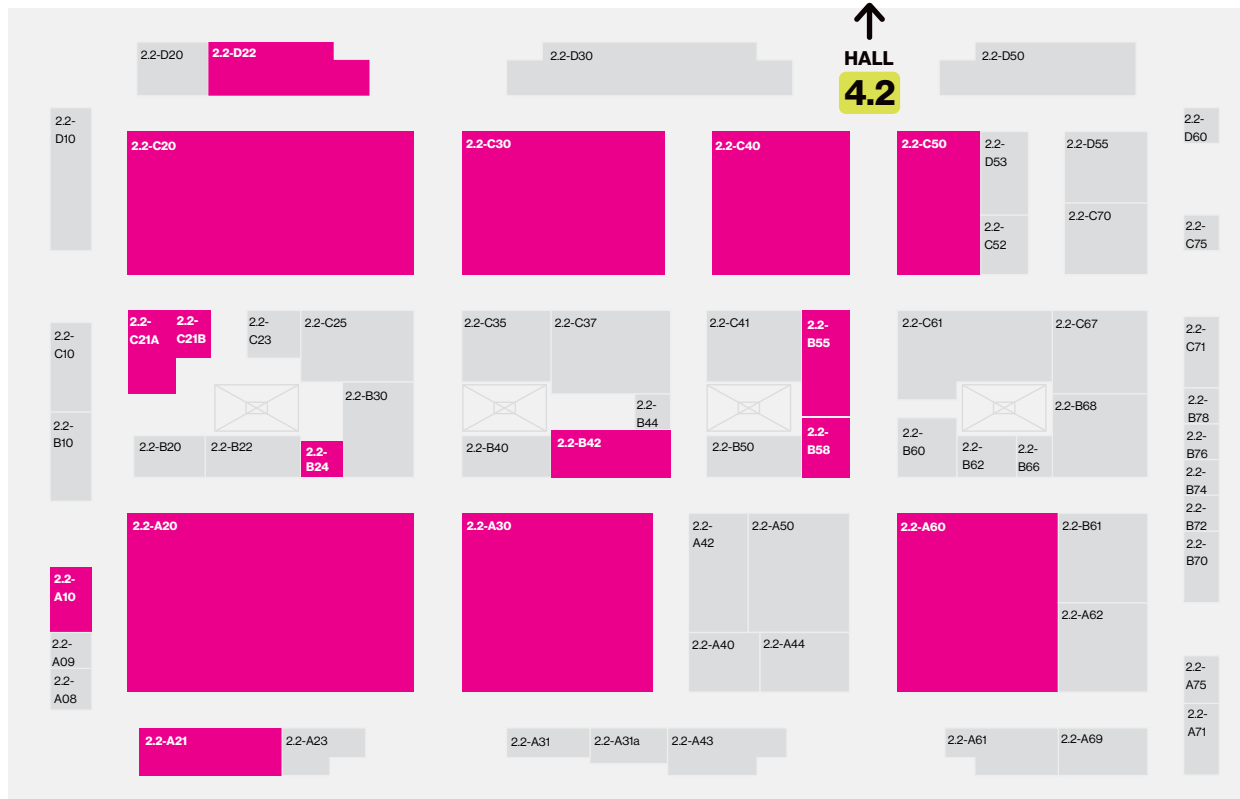

Stand	Company	Décor	Object	Apparel	Type Products
A15	Neu Kaliss Spezialpapier GmbH				Speciality papers for the Decorative Industries
A17	Sentec				Media and Materials for Surface Applications
A56	Amica Technology B.V.				Direct to Object Print Machinery
A61/ B60	Fujifilm				Digital Printing Machinery for Multiple Applications
B10	Canon				Digital Printing Machinery for Multiple Applications
B20	FOTOPA				Precision Cutting Equipment
B90	FLORA				Digital Textile printing Machinery
C10	Neolt				Precision Cutting Technology
C25	OneVision Software AG				Production Workflow Software
C61/ C70	IECHO / ARISTO Cutting Solutions				Precision Cutting Technology
D05	ONYX				Workflow automation RIP Software
D20	Ahlstrom				Media for Surface Decoration
D70	Microtec				Heat Presses

Stand	Company	Décor	Object	Apparel	Type Products
A10	Direct Color Systems				Digital Printing UV Technology
A18	Barbieri				Colour Management Technology
A50	Inkcups				Direct to Shape Printing Technology
A62	Adobe Inc.				Design Software
B30	Zund				Precision Cutting Technology
B35	Durst Group				Digital Printing Technology
B65	Mutoh				Digital Printing Technology
B76	Enfocus BV				Print RIP Workflow Automation Software
B80	Robotfactory				Robotic Technology
C20	Fiery				Print RIP Workflow automation Software
C50	ELITRON Robotic Cutting Intelligence				Robotic Cutting Technology
C55	Caldera				Print RIP Workflow automation Software
C60	SwissQprint				Digital Printing Technology
C70	Kongsberg Precision Cutting Systems				Precision Cutting Equipment
D16	Colorgate				Print RIP Workflow automation Software
D28	Pongs Group				Media for Multiple Surface Applications
D50	PrintFactory				Print RIP Workflow automation Software
D55	TTS Texo Trade Services				Media for Multiple Applications
D60/D70	AGFA				Digital Textile Printing Equipment
E50	Summa				Precision Cutting Technology

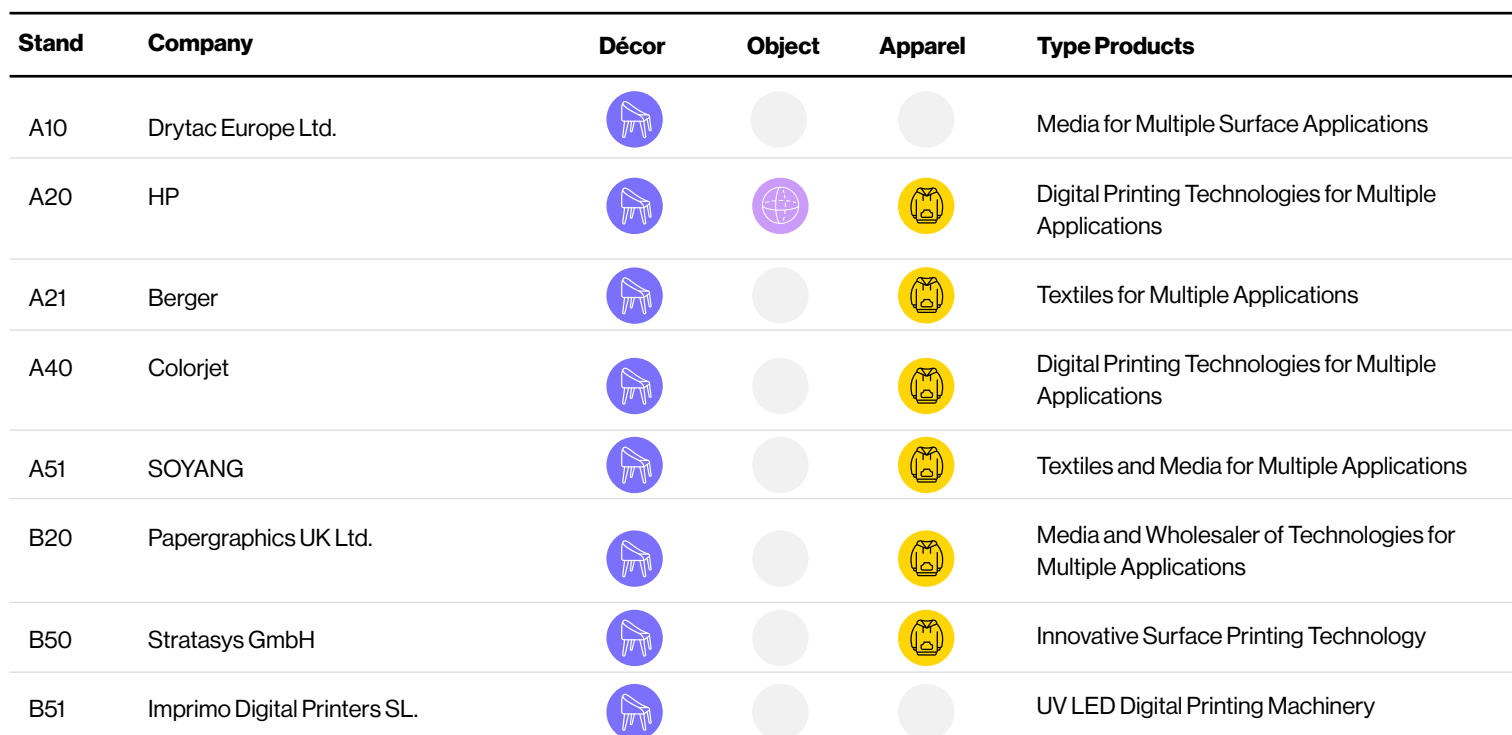

Stand	Company	Décor	Object	Apparel	Type Products
A10	B-Flex Italia	●	●	👤	Heat Transfer Media for Garment Decoration
A20	STS Inks Ltd.	●	●	👤	Multiple Print Media and Technologies for Garment Decoration
A31	Klieverik	👤	●	👤	Heat Transfer Equipment
A33	Coldenhove	👤	●	👤	Transfer Papers for Roll to Roll Technologies
A41	Gröner-Schulze GmbH	●	🌐	👤	Hardware and Media for Multiple Applications
B20	Mimaki	👤	🌐	👤	Print Technologies for Multiple Applications
B21	Beaver Paper/Katz Group	👤	●	👤	Transfer Paper for Multiple Industries
B30	DGI/d.gen	👤	●	👤	Digital Textile Printing for Roll to Roll Applications
B40	Transmatic	👤	●	👤	Heat Transfer Equipment
B45	Modico	●	🌐	●	Digital Print Machinery (Direct to Shape)
B65	HANRUN Paper	👤	●	👤	Transfer Paper for Multiple Applications
C15	STAHL'S	●	●	👤	Heat Transfers and Media
C30	Forever	●	●	👤	Heat Transfer Media
C61	Hotronix - Fulfill Engine	●	●	👤	Heat Transfer Machinery and Workflow Automation Software
D20	Atexco/Alubest	👤	●	👤	Digital Textile Printing Equipment
D30	Monti Antonio	👤	●	👤	Heat Transfer Equipment
D40	Sun Chemical	👤	●	👤	Digital Inks for Multiple Applications

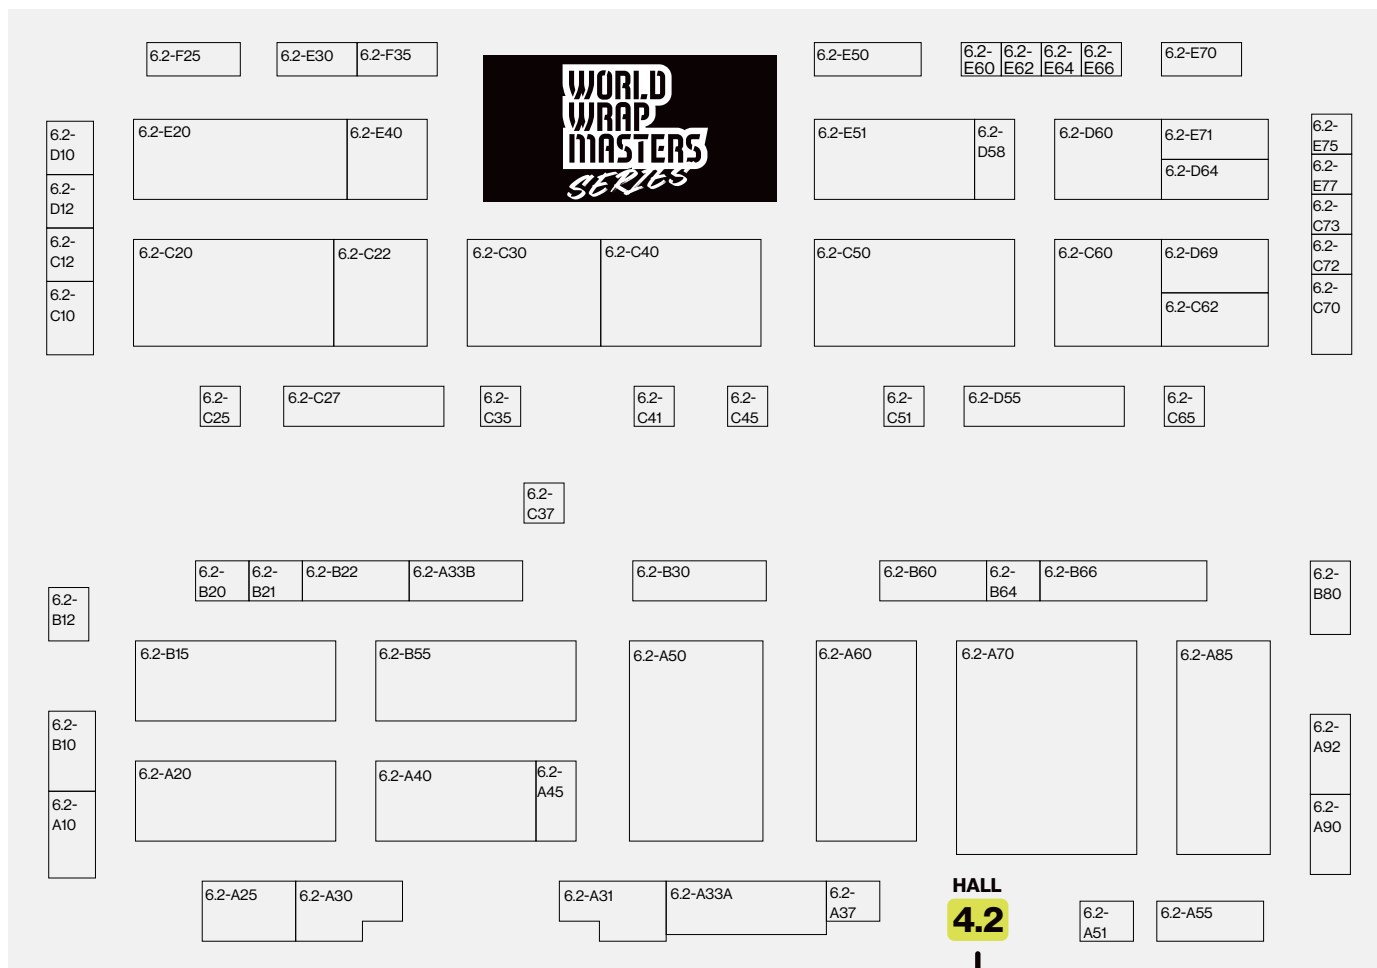

Stand	Company	Décor	Object	Apparel	Type Products
A10	AS Colour				Garment Blanks
A20	EPSON				Digital Printing Technologies and Inks for Multiple Applications
A21	Melco				Embroidery
A30	ROQ				Silkscreen and Digital Printing, Folding and Packaging Machines for Textile and Other Industries
A60	Print Equipment				Machinery Wholesaler Multiple Industries
B24	Early Vision				Workflow Automation Software
B42	Dekken Machinery				Specialised Textile Packaging Equipment
B55	ZSK Stickmaschinen GmbH				Embroidery Machinery
B58	Sawgrass Technologies Inc.				Inks and Printing Technologies for Multiple Applications
C20	Kornit Digital				Printing Technologies for Multiple Applications
C21A	Polyprint				DTF Digital Printing Machinery
C21B	Trotec Laser Deutschland GmbH				Laser Engraving Equipment
C30	Brother				Printing Technologies for Multiple Applications
C40	RICOH Printing Solutions				Printing Technology for Garment Decoration
C50	M&R				Printing Technology for Garment Decoration
D22	DuPont				Industrial Inks for Multiple Digital Applications

Stand	Company	Décor	Object	Apparel	Type Products
A20	efi				Digital Printing Technologies for Multiple Applications
A30	ROLAND				Digital Printing Technologies for Multiple Applications
A35	Nazdar				Ink Supplier for Multiple Industries
A51	Corel				Design Software
B50	Epilog Laser BV				Laser Engraving Technology
D71	Jiangmen Firefly				Design Software

There are no relevant exhibitors or products for the Smart Factory Trail in Hall 6.2
