REDEFINE SIGNAGE

MIX & MATCH LED SIGNS
A to Z

What is mix and match LED signs?

We developed series of molds of alphabetic letters from A-Z both capital and lowercase, numeric 0-9, bunch of symbols like "@", "#", "&" etc., and all of them are LED lighted from within. Above all, you can free match whatever signs or words you wanted.

Where our mix and match LED signs apply to?

Exhibition booth, supermarket, mall, shops, schools, government buildings, hospitals, conference, party, and to be used as service recognition, display props, advertising signage, shop front, price tag, brand reminder, counter display, backdrop display, window display, outdoor display, removable display……

What are our advantages compared to custom signs?

· Ready-made and quick delivery;
· Multiple DIY installation choice: hang from ceiling, install to wall or furniture, stand on counter or in window, removable magnetic system, etc.;
· Wide range of applications;
· Outdoor and indoor solutions;
· Multiple color choice: white, red, blue, green, yellow, orange and pink etc.;
· Multiple size choice: from H20mm to H500mm, etc.;
· Multiple safety regulation compliance like CE, UL, RoHS, FCC, BIS, etc.
· Above all, we have huge cost advantage compare to other manufacturers all over the world
