Courses available:

NRSWA OPERATIVES UNITS 1-6 & 9

To provide delegates with the skills and knowledge to perform operative duties to the standards prescribed by SQA in-line with the NRSWA Act 1991, in order to safeguard themselves and others. We also offer this course to include Unit 7 hot lay added if required

NRSWA SUPERVISORS UNITS 1, 10-14 & 16

To provide delegates with the skills and knowledge to perform Supervisor duties to the standards prescribed by SQA in-line with the NRSWA Act 1991, in order to safeguard themselves and others.

NRSWA SIGNING, LIGHTING & GUARDING UNITS 2 OR 10

This course will certify the successful candidate to undertake the setting out of traffic lights, signs, cones and barriers. As a Supervisor setting out traffic signage you will need Unit 2 as well as Unit 10.

LOCATION & AVOIDANCE OF UNDERGROUND APPARATUS UNIT 1

This course is designed to make candidates aware of the dangers involved in excavating on public highways and private land, and train them to detect and avoid most buried apparatus.

NRSWA OPERATIVE, HOT LAY UNIT 7

To provide delegates with a sound understanding of NRSWA Unit 7, which is the reinstatement of hot lay bituminous materials. Also to comply with the mandatory requirements of the NRSWA Act 1991.

We also offer NRSWA Re-Assessment courses.
