

MANAGEMENT CONSULTANCY

Let's create a management system that's built around the way you want to work – **just better.**

IS YOUR BUSINESS AT A CROSSROADS?

Whether you need help with recovery, or just want a little support to grow, Management Consultancy can help you achieve those aims.

We work with businesses of all sizes, from fledgling SMEs to charities and corporates. Our friendly and professional team will partner with you and your people to create better ways of working – delivering customer loyalty, competitive edge and improved quality.

HOW CONSULTANCY WITH QEM CAN BENEFIT YOU

WORK MORE STRATEGICALLY

Transform the way your business functions – changing your daily schedule from fire-fighting to working with purpose.

LOOK AFTER YOUR PEOPLE

Provide clear leadership by establishing consistent communication and defined work processes, supporting your people's career growth and safe-guarding wellbeing across your business.

RESPOND TO RISK AND OPPORTUNITY

Respond more positively to outside influences, find opportunity even in risk, and be ready to plan for the next challenge.

MEET YOUR LEGAL OBLIGATIONS

Understand your legal obligations, meet them, and be equipped to prove your compliance – simply and transparently.

ACHIEVE ISO CERTIFICATION

Embed processes that make achieving certification much easier, securing competitive edge and mutual trust with suppliers and buyers.

CHANGE, INNOVATE & GROW

Use our innovative cloud-based software and gain the tools to monitor, review and analyse how your business is doing, help you identify new markets, and manage change more easily.

"Very knowledgeable staff, we have always been pointed in the right direction with a friendly smile."

"Excellent service from QEM, proven by our ISO audit results."
