

## THE WORLD'S NO.1 HOME ENERGY & ELECTRIC VEHICLE EXPO

**MORE THAN 50 'ELECTRIFYING' LIVE THEATRE SESSIONS!**

### FRIDAY 24TH

### SATURDAY 25TH

### SUNDAY 26TH

- 

**10.30-11.00 (Giga Theatre)**  
**ELECTRIC FIRESIDE CHAT**  
Guest to be advised  
Host: Robert Llewellyn
- 

**10.45-11.15 (Mega Theatre)**  
**Extinguishing the myths to #StopBurningStuff**  
Host: Imogen Bhogal
- 

**11.15-11.45 (Giga Theatre)**  
**Is the UK being left behind in the race for cleaner energy & transport?**  
Host: Dave Borlace, Just Have a Think
- 

**11.30-12.00 (Mega Theatre)**  
**EVs & Clean Energy: How can we take everyone on this electrifying journey?**  
Host: Helen Czerski
- 

**12.00-12.30 (Giga Theatre)**  
**Where to invest? What's the next 'big thing' in the energy & transport transition?**  
Host: Robert Llewellyn
- 

**12.15-12.45 (Mega Theatre)**  
**Ask the experts – Commercial vans & trucks explained**  
Host: Jack Scarlett
- 

**12.45: 13.15 (Giga Theatre)**  
**Is this an opportunity to reinvent the world we live and work in?**  
Host: Dave Borlace, Just Have a Think
- 

**13.00-13.30 (Mega Theatre)**  
**Should Electric Vehicle charging at work and destinations be standard practice? And how do we make it happen?**  
Host: Dan Caesar
- 

**13.30-14.00 (Giga Theatre)**  
**FULLY CHARGED TEAM CHAT: What are the very best Battery Electric Vehicles so far?**  
Host: Robert Llewellyn + Jack Scarlett
- 

**13.45-14.15 (Mega Theatre)**  
**Where are the best opportunities to decarbonise businesses?**  
Host: Imogen Bhogal
- 

**14.15-14.45 (Giga Theatre)**  
**Future of deliveries, from freight to the final mile**  
Host: Helen Czerski
- 

**14.30-15.00 (Mega Theatre)**  
**The cost of 'cleaner' technologies? How much does it really cost to switch?**  
Host: Dan Caesar
- 

**15.00-15.30 (Giga Theatre)**  
**The future of grid connections**  
Host: Imogen Bhogal
- 

**15.15-15.45 (Mega Theatre)**  
**All you need to know about managing an electric fleet**  
Host: Jack Scarlett
- 

**15.45-16.15 (Giga Theatre)**  
**Bringing Batteries up to speed! What does the new wave of chemistries offer?**  
Host: Robert Llewellyn

- 

**10.30-11.00 (Giga Theatre)**  
**ELECTRIC FIRESIDE CHAT**  
Guest to be advised  
Host: Robert Llewellyn + Tom Furze
- 

**10.45-11.15 (Mega Theatre)**  
**Ask the experts – Choosing your first electric vehicle**  
Host: Jack Scarlett
- 

**11.15-11.45 (Giga Theatre)**  
**When it comes to energy & transport, what will the world look like in 2035 and 2050?**  
Host: Dave Borlace, Just Have a Think
- 

**11.30-12.00 (Mega Theatre)**  
**Energy Efficiency & all that – cheaper, easier energy hacks discussed**  
Host: Dan Caesar
- 

**12.00-12.30 (Giga Theatre)**  
**Are we doomed? And can we really change?**  
Host: Imogen Bhogal
- 

**12.15-12.45 (Mega Theatre)**  
**Ask the experts – Home charging made simple!**  
Host: Jack Scarlett
- 

**12.45: 13.15 (Giga Theatre)**  
**Vehicle to Everything? What's the true potential?**  
Host: Robert Llewellyn
- 

**13.00-13.30 (Mega Theatre)**  
**What role can food and farming play in a world where emissions & resources come into sharper focus?**  
Host: Helen Czerski
- 

**13.30-14.00 (Giga Theatre)**  
**How can following the science, help us to accelerate the energy transition?**  
Host: Dave Borlace, Just Have a Think
- 

**13.45-14.15 (Mega Theatre)**  
**Are micro EVs and small EVs a no-brainer? And what are the best small EV car options available?**  
Host: Ellis Barrett, Electroheads
- 

**14.15-14.45 (Giga Theatre)**  
**The Blue Machine & the North Sea**  
Host: Helen Czerski
- 

**14.30-15.00 (Mega Theatre)**  
**Ask the experts – How can we decarbonise our home energy through electrification like heat pumps, zero emission boilers, infrared & more?**  
Host: Dan Caesar
- 

**15.00-15.30 (Giga Theatre)**  
**AI and autonomous cars**  
Host: Jack Scarlett
- 

**15.15-15.45 (Mega Theatre)**  
**How to send signals with money, & the surprising impact it can have**  
Host: Imogen Bhogal
- 

**15.45-16.15 (Giga Theatre)**  
**Disruption? Which companies, sectors and technologies are going to lose out as automotive goes all-electric?**  
Host: Robert Llewellyn

- 

**10.30-11.00 (Giga Theatre)**  
**ELECTRIC FIRESIDE CHAT**  
Guest to be advised  
Host: Robert Llewellyn
  - 

**10.45-11.15 (Mega Theatre)**  
**Ask the experts – Buying a used EV**  
Host: Jack Scarlett
  - 

**11.15-11.45 (Giga Theatre)**  
**When it comes to energy what has the UK got right? And what should we learn from other countries?**  
Host: Helen Czerski
  - 

**11.30-12.00 (Mega Theatre)**  
**Low impact living**  
Host: Imogen Bhogal
  - 

**12.00-12.30 (Giga Theatre)**  
**Electric Car Conversions – big business opportunity or custom market only?**  
Host: Jack Scarlett
  - 

**12.15-12.45 (Mega Theatre)**  
**Futureproofing your home – renewable, rewired & resilient**  
Host: Dave Borlace, Just Have a Think
  - 

**12.45: 13.15 (Giga Theatre)**  
**Vehicle-to-Home, & going 'almost' off-grid**  
Host: Robert Llewellyn
  - 

**13.00-13.30 (Mega Theatre)**  
**Ask the experts: Home Heating – all options explored & explained**  
Host: Dan Caesar
  - 

**13.30-14.00 (Giga Theatre)**  
**How to persuade stubborn friends & family to go electric**  
Host: Imogen Bhogal
  - 

**13.45-14.15 (Mega Theatre)**  
**No driveway, No problem**  
Host: Jack Scarlett
  - 

**14.15-14.45 (Giga Theatre)**  
**When it comes to transport what can London learn from Amsterdam, Oslo & Paris?**  
Host: Dan Caesar
  - 

**14.30-15.00 (Mega Theatre)**  
**The state of play with the UK Heat Pump roll out. What's holding us back?**  
Host: Dave Borlace, Just Have a Think
  - 

**15.00-15.30 (Giga Theatre)**  
**How do we make battery electric vehicles accessible for everyone?**  
Host: Imogen Bhogal
- 

**15.30-16.00 (Giga Theatre)**  
**Fully Charged Team Quick Fire Q&A**  
Robert, Dan, Helen, Imogen + Jack
