INSPIRING INNOVATION IN GLOBAL HEALTH

Future Health, now in its third year, is a unique and dynamic event for the healthcare industry. We showcase the significant advances being made in healthcare around the globe and inspire professionals to be progressive in their approach to the challenges we face.

We stand for innovation and technology in every product, service and component in the healthcare industry. We bring together government and policymakers, innovative products and solutions, and a global network of buyers and professionals.

Come join us and be part of the Future of Health!

“

It was an intriguing, eye-opening conference, brimming with healthcare professionals and scientists from across the globe, brought together to talk about the latest technological innovations in healthcare.

Medical News Today

ATTENDEE FEEDBACK

Future Healthcare has been everything we hoped for and more, engaging conversations with decision makers from all over the world! Brilliant!

Lee Francis,
Director of International
Sales, **Patient Source**

Met some very interesting key contacts that you don't meet at other conferences, both NHS and Private hospitals.

Stephan Barabas,
Director, **K-Laser UK**

A great platform to exhibit your business to generate leads and network with huge personalities.

Abs Inshal,
Account Exec,
eMed Pharma Group

Pre show expectations met - see you in 2020!

Sumit Mitra,
Marketing Manager,
Molbio Diagnostics Ltd.

Future Healthcare was a great way to connect with the investor community ahead of our EIS raise. This year with the quality of attendees, it has become a must attend event for us.

Rob Parkes,
CEO, **Service Robotics**

Brilliant event. Had contact with quality visitors. Thank you

Chantelle Bartlett,
Heal & Care

The event is very well organised. It was great for exhibitors with innovation.

Kevin Khodakhah,
Director, **BeSafe**

Enjoying @FutureHealthXpo . The Health Innovations stage is like a much more interesting version of Dragon's Den.

Tim Newman, Visitor

I want to say a big congratulations on the successful putting together such a wonderful event.

Dr Yomi Jaye,
Medical Director,
Cecy Health, Nigeria

Some great discussions this morning at @FutureHealthXpo.

Dr Donald de Korte,
Lancor Scientific

Thank you for organising today. I found the speakers to be very interesting and the debate very stimulating.

Dr Catriona Manville,
Research Leader,
RAND Europe
