# CINELUXE COLLECTION

The Tenba Cineluxe collection is designed especially for filmmakers and photographers, providing convenience, protection and versatility. Wherever your next project takes you, Cineluxe will be along for the ride. Whether your project calls for a mirrorless setup or a large cine rig, there's a Cineluxe bag that's right for the job.

## FEATURES

### Flex-Core Dividers

Tenba's exclusive dividers reinforced with aluminum are both rigid and flexible, providing a secure separation between cameras and lenses while also being bendable for repositioning.

### Fast Doctor Bag Opening

Extra wide opening allows unobstructed access to gear through only one quick zipper down the middle. Camera can be stored with baseplate, microphone and matte box attached.

### Protective Pouch And Wraps

Soft padded wraps and zippered pouch protect lenses and delicate accessories to allow them to be safely stored alongside camera rigs to maximise the interior storage space.
