

# CanvasBay

We specialise in the supply of affordable picture mounts to enhance all forms of art work and photography. Our Mount, Back and Bag sets is the perfect way to display, package and protect your artwork or photographs. Our mounts are cut on a state of the art computerised mount cutter from top conservation quality white core, acid free mount board. Our backing boards are 1.25mm PH neutral cream core. Supplied with 40 micron high clarity bags.

We guarantee an accurate internal bevel cut with straight cut outside edges and no overcut corners.

- **1.4mm Mount Thickness**
- **Conservation quality**
- **Acid Free, PH neutral**
- **Core is Bright White throughout**
- **Includes Backing board and Bag**
