

COVERDRONE

SPECIALIST DRONE INSURANCE

VALUED INSURANCE

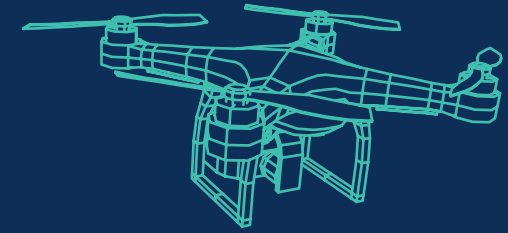

“We needed aerial insurance cover and Coverdrone came highly recommended, they were quick to respond to emails and sorted our cover out the same day.” - **feefo**

BESPOKE INSURANCE

We understand the risks involved, the mechanics and properties of Commercial and Recreational Drone applications. Coverdrone is a bespoke insurance product for the aviation industry.

KNOW WHO YOU'RE DEALING WITH

We value personal service highly and believe that you should speak to the same person every time you call and as such appointed dedicated Advisors to our customers. You'll always know who you're dealing with and more to the point, we get to know you and your requirements in detail.

SHORT-TERM

Our 'short-term' policies allow you to purchase insurance cover for between 1 day and 6 months. Once registered both commercial and recreational operators will be able to purchase our comprehensive insurance cover as required, all available via our 'Coverdrone FlySafe' app or on our mobile friendly website.

ANNUAL

Our annual policies have the same cover features as our short-term policies but offer the most cost effective solution for more frequent users. Policies can be purchased online, via our app or by contacting our team at Coverdrone.

POLICY FEATURES

All our policies are fully adjustable throughout the policy term via your online account which is available 24/7.
