### Amplified

Your customers spend at least one hour on Facebook each day. This provides the perfect opportunity to **amplify your brand's message** where it matters – at your local retailers' business pages.

### Consistent

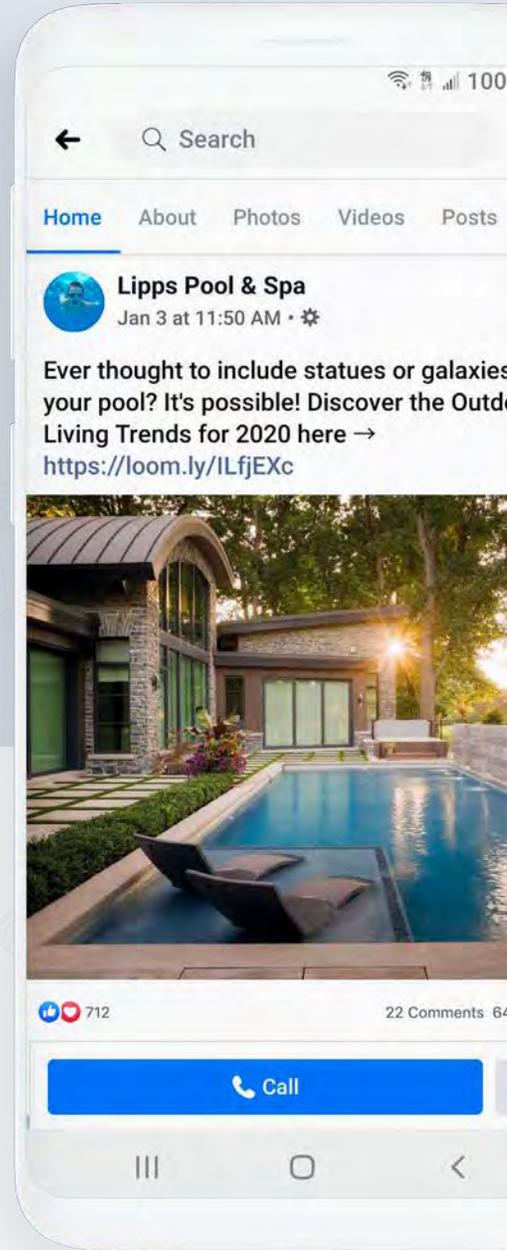

When consistency is key, ThumbStopper is here to help. Our Brand Manager™ publishes digital content based on social media best practices, ensuring your retailers **get the right content at the right time – all the time.**

### Automated

ThumbStopper's Brand Manager makes it easy to **automatically post your digital content to your retail network – 100% hands-free.**

## social media advertising

Brand advertising published through ThumbStopper is displayed to your target audience on Facebook, Instagram, and the entire Facebook Audience Network!

### Our Thumbprint Is Vast

Connect to your retail network and experience the ThumbStopper Effect

Thousands of partners benefit from ThumbStopper – and so can you! No matter the size and scale of your company's operation, our solution **connects your brand to your retail network and maximizes your brand's awareness on social media.**
