FEATURES

Durable & Weather Resistant

Water-repellent 600 denier Helix fabric, ripstop nylon, YKK® zippers, heavily reinforced stitching. Includes rain flaps and Weather Wrap™.

Fidlock® Magnetic Clips

This is the quickest clip in the world. It can be opened and closed with one hand, even when wearing gloves.

Quiet Whisper Hook™ Closure

Virtually silent opening when flap is pulled down before pulling away from the bag.

Quick Access Top Zipper

Allows secure exchange of cameras and lenses without opening the front flap.

DNA COLLECTION

The DNA Collection delivers the kind of year-round, all-weather, rugged performance of a true bike messenger bag, but with an interior that's designed to protect delicate cameras, lenses and computer gear. You can confidently carry directly from a job to a social event, and it boasts many of Tenba's signature features, like the Whisper Hook™ closure, Fidlock® magnetic clips, Quick Access top zipper, removable padded camera insert and body armour base panel.
