WHY CHOOSE US

- 01** With our flexible policies, we can cover you from one day to a year.
- 02** Our drone policies are fully compliant under regulation EC 785/2004.
- 03** We do not restrict the number of hours you can fly.
- 04** We provide 'new for old' cover. This means if you make a claim, we'll replace your drone with the same make and model (subject to availability).
- 05** You can adjust your policy at any time through your online account.
- 06** We offer a truly personal touch and believe you should speak to the same person every time, so you'll always know who you're dealing with.
