# FEATURES

## FULTON COLLECTION

The Tenba Fulton Collection of backpacks combine timeless, vintage style with modern comfort, function and camera protection. The soft, lightweight canvas design blends seamlessly into any environment, yet they possess a full complement of professional-grade features. Perfect for urban explorations and nature trails, Fulton offers a discreet twin compartment design making it an ideal fit for city or rural spaces.

### Versatile Rolltop Design

Protects contents from rain when rolled tightly and allows expandability to hold extra gear when needed.

### Secure Rear Camera Access

Camera kit is secured up against the user's back so nothing can be removed from the front or sides of the pack.

### Tripod / Monopod Storage

Reinforced side pocket that can securely hold a tripod or monopod.

### Capacity

Twin compartment pack, with space for camera kit or compact drone and personal items..

### Side Mesh Pocket

Stretches to accept a water bottle or other accessories.

### Durability & Weather Resistance

Built with the finest materials and hardware including water-repellent 600D canvas and when and YKK® zippers.

### 5 Year Warranty

Years of camera bag making experience combined with our commitment to using the highest quality materials gives us the confidence to back our bags with a 5-year warranty that covers original workmanship and material defects.
