

SnapGrip Creator Kit

ALL THE ESSENTIALS FOR CREATORS

Introducing the **SnapGrip Ecosystem** - three unique, individual products that can be used separately or combined in multiple ways to enhance and improve your mobile photography and videography.

Everything just snaps on.

Comprising SnapGrip, SnapPod, and SnapLight, the Creator kit provides the tools you need to adapt to any creative process. Each product magnetically mounts in a fast and convenient way with strong, secure connections – **everything just snaps on!**

SnapGrip Ecosystem products work with any smartphone using the included magnetic sticker, and are also MagSafe compatible.

Includes compact pouch for SnapGrip and SnapLight

SnapGrip

Magnetic Smartphone Battery Grip

With a comfortable camera-like grip, wireless shutter button, built-in Qi wireless power bank that tops up your smartphone battery, and the ability to shoot and review in portrait, landscape, and dock modes, SnapGrip is the simplest and easiest way to enhance your mobile photography and videography.

SnapPod

Magnetic Tripod & Selfie-Stick

With its magnetic mount, SnapPod is secure and incredibly easy to use. Attach to SnapGrip, SnapLight or your smartphone in an instant, and swap shooting modes with a quick-switch between tripod and selfie-stick.

SnapLight

Magnetic LED Ring Light

With 4 levels of brightness intensity, a hinged design that swivels up for selfies, and a mirror to make last minute checks before you go live, SnapLight helps take your photos and videos to the next level.
