

1. Epson iPrint and Epson Creative Print require a wireless connection and the Epson printing apps. Epson Email Print, Epson Scan-to-Cloud and Epson Remote Print Driver require an internet connection. For more information, supported languages and devices, please visit www.epsonconnect.eu
 2. For test conditions visit www.epson.eu/testing 3. Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default A4 simplex. For more information, please visit www.epson.eu/testing 4. AirPrint-enabled printers work with iPhone 4s and later, iPad 2 and later, all models of iPad Air and iPad mini, and iPod touch 5th generation with the latest version of iOS, and Mac with the latest version of OS X 5. Approx. page yield based on ISO/IEC 24711/24712 or ISO/IEC 29102/29103. Actual yield will vary depending on images printed and usage conditions. For more information visit www.epson.eu/pageyield 6. Black ink tanks will be used simultaneously by the printer and both need to be filled for printing 7. Average number of cartridges/savings for printing the number of pages using the bundled ink bottles with the EcoTank range, excluding hardware price. Comparison made on the average of the A4 Cotangent range versus the average of the top 10 best-selling models in Western Europe, in the period January – December 2017, as tracked by GfK. Printing costs calculated on the proportion of Standard and XL cartridges as tracked by GfK for the same reference period for the Western European market, using average retail prices. Ink cartridge yields as communicated by manufacturer's websites. 8. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712 or 29103. Quoted yields are NOT based on ISO/IEC 24711 or 29102. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set will be lower. 9. Print speed may vary depending on the power source. 10. Requires NFC and Wi-Fi Direct enabled devices with Android OS 4.0 or higher. Requires download of Epson iPrint app from Google Play. 11. Taking the RRP of the mono EcoTank replacement ink bottles and comparing printing costs calculated on the largest available yield toner divided by the average selling price in the Western European market listed in IDC EMEA Semiannual Consumables Tracker 2018H1 for the 12 months to June 2018 (including VAT at 21%). Toner yields as communicated by the manufacturers websites. 12. Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For more information visit www.epson.eu/testing 13. Comparison of the power consumption while printing of the Epson ET-M1120, ET-M2170 and ET-M3170 models against the average top selling 75% of A4 monochrome laser printers (below 20ppm class) listed in IDC Worldwide Quarterly Hardcopy Peripherals Tracker 2018Q3 data for the 12 months ending September 2018. Power consumption values as communicated by the manufacturers websites. 14. Quoted yields are extrapolated on Epson original methodology from the print simulation of Test patterns provided in ISO/IEC 19752. Quoted yields are NOT based on ISO/IEC 24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print heads nozzles, therefore the yield of the initial bundled set can be lower

Expression series

Whether you'd like to print crisp documents or high-quality photographs, we'll help you find the best printer with our Expression range. It includes compact, cost-effective all-in-ones with wireless and A3 printing options.

Expression Home series

Compact and stylish 4-colour all-in-ones for general document and photo printing at home. The range features Wi-Fi, double-sided printing and cost-effective individual inks.

Expression Premium series

Get the best of both worlds with these versatile and compact 5-colour all-in-ones for high-quality document and photo printing up to A3. The range features twin paper trays and automatic document feeder.

Expression Photo series

Superior 6-colour, versatile and compact all-in-ones for photo enthusiasts featuring large touch-screen and rear specialty media feed.

WorkForce series

The feature-packed range of WorkForce business inkjet printers bring quality, speed and value to any small office. These printers are the professional choice due to their reliability, speed and solid build.

WorkForce series

Home office users should look no further than this range of compact 4-in-1 printers for an affordable way to experience the benefits of inkjets for bigger businesses. WorkForce improves day-to-day efficiency with reliable operation and quality results.

WorkForce Pro series

Get the best of business quality printing with these 4-in-1 printers designed to print high quality documents. Print, scan and copy faster with the automatic document feeder.

WorkForce A3 series

Designed to meet the demands of more specialist business print requirements, the WorkForce A3 features double-sided A3 print functionality, and can scan, copy and fax double-sided A3 documents using ADF. All with the speed, reliability and quality businesses have come to expect from WorkForce.

EcoTank series

Say goodbye to ink cartridges and say hello to ultra-low-cost printing with the EcoTank series.

EcoTank series

Designed for busy homes, home offices and small offices where low-cost printing is the number one priority, these printers use a high-capacity refillable ink tank that does away with the need for ink cartridges. With our EcoTank colour printer range, you can print thousands of pages with the included ink and with no cartridges to buy or change, you can expect a 90% saving on the cost of ink.⁷

Ink bottles

As there are no cartridges to replace, simply top up the refillable tanks with Epson ink bottles and keep printing. They're capable of delivering up to 7,500 pages in black and colour⁸ and with the next generation of bottle design, you can enjoy mess-free refills.

Easy-to-use

Get up and running in just three simple steps: fill up the tanks with the ink supplied; set it up; print from your PC, laptop, tablet or smartphone.

After printing thousands of pages simply top up the tanks with the affordable and high capacity ink bottles and continue printing.

EcoTank mono series

Thinking laser? Think again. EcoTank mono printers offer a high quality, fast and economical alternative to laser printers.

EcoTank mono series

EcoTank mono printers include enough ink to print thousands of pages, cutting costs and saving time as you're not frequently changing toner. Save over 90% on the cost per page with the replacement ink bottles¹¹.

Save time

With an ink tank system, you can essentially fill it up and forget about it. Printing is fast with no warm-up time and print speeds of up to 20ppm¹².

Save energy

Cut energy usage and reduce overheads with an EcoTank mono printer. It can save up to 95% in power consumption compared to mono laser printers¹³.

Epson genuine inks

Printing is a partnership and Epson have developed inks that ensure your Epson printer delivers crisp, smudge-proof text and vibrant photos that will last for generations.

Expression Home series Ink

Reliable, affordable printing
 A versatile, four-colour ink set that's designed to deliver crisp, clear text documents and high-quality photographs. This makes them ideal for everyday printing.

Claria Premium Ink

A no-compromise solution for the modern home
 Featuring a five-colour system including a photo black ink, Epson's Claria Premium Ink produces outstanding, glossy photos and crisp, clear text documents.

Claria Photo HD Ink

Exceptional photos everytime
 A proven six-colour solution providing exceptionally high-quality photos on a range of media. Reproduce natural skin tones, smooth gradations and deep blacks. Perfect for keen photographers looking to produce and display superior-quality, long-lasting photographs.

DURABrite Ultra Ink

Reliable business printing
 Print crisp, clear laser-like business documents. Specially designed pigment inks mean prints are water, smudge and highlighter resistant. Plus, quick to dry so ideal for duplex printing.

Mobile printing

Epson's range of mobile printing options gives you the freedom to print and share documents, emails, web pages and photos from anywhere¹.
