# BINDING MACHINES FOR SIMPLEX PRINTS

## • Description

LAYFLAT E330-300 is a fully automatic book block system which produces LAYFLAT book blocks from single sheets. It can make premium book formats not only by gluing paper back to back but also by inserting cardboard between sheets. It is all in one station, creaser and folder are included, it is compact and can run in small place.

## • Key Features

- All in one system: Integrated auto feeding, gluing, assembling ;
- Small footprint, can fit small shop;
- Easy to operate via touch screen;
- Flexible production for different sizes: 6"x6" to 13"x 13";
- LAYFLAT binding technology;
- Hotmelt gluing technology: cheaper cost and faster delivery;

Professional, Attractive And Elegantly Crafted Premium Book Formats  
**Production Line In Your Business**
