Pipeline Asset & Gas Supply**

# About us

## OUR VISION

...a globally competitive LNG company helping to build a better Nigeria.

## OUR MISSION

To market, produce and deliver Liquefied Natural Gas and Natural Gas Liquids to buyers safely, reliably and profitably, growing our company and its people to their full potential, and being a trusted partner with all our stakeholders in the sustainable development of Nigeria's gas industry and of NLNG's host communities.

A photograph of an industrial facility, likely a refinery or chemical plant, at night. The scene is illuminated by numerous bright lights, creating a stark contrast against the dark sky. Two prominent, tall smokestacks are visible in the background. In the foreground, there are several large, dark-colored storage tanks or containers. The overall atmosphere is industrial and active.

**Unleash Gas Potential!**
