FOUR POINTS BY SHERATON HOTEL, KAMPALA | 26-27 NOVEMBER 2024

WELCOME TO THE UGANDA INTERNATIONAL OIL & GAS SUMMIT 2024

UIOGS is firmly established as the official platform for business in Uganda's hugely exciting energy, oil and gas industries.

Uganda is certainly experiencing a transformative time, with a stabilised government, numerous tax and financial breaks for investors, the refinery underway, pipeline development and pound for pound one of the most cost-effective options for oil extraction available, the Albertine Graben offers a real opportunity

The 8th edition took place in November 2023, with the continued support of the Ministry of Energy and Mineral Development (MEMD), Uganda and all of the leading stakeholders from across the East African oil and gas sector, UIOGS has firmly underlined its position as the region's must-attend meeting in the sector, annually attracting global attention and participation from across the industry.

Join us at the Uganda International Oil & Gas Summit 2024, where industry leaders, government officials, and international stakeholders will converge to discuss Uganda's path to First Oil by 2025. With a focus on local content, regional cooperation, and sustainable growth, this summit is the premier platform for networking, knowledge exchange, and exploring investment opportunities in Uganda's oil and gas sector."

With thanks to our 2023 UIOGS partners and stakeholders

ON THE 2024 PROGRAMME

26-27 NOVEMBER 2024 | FOUR POINTS BY SHERATON HOTEL, KAMPALA

The Uganda International Oil & Gas Summit 2024 will feature a dynamic three-day programme designed to address the most pressing issues and opportunities in Uganda's oil and gas sector. The summit will bring together key stakeholders, including government officials, industry leaders, investors, and experts, to discuss strategies for achieving First Oil by 2025.

The programme will cover a wide range of topics, from local content development and regional cooperation to sustainable resource management and ESG best practices. Through keynote presentations, panel discussions, and interactive sessions, attendees will gain valuable insights, forge new partnerships, and contribute to shaping the future of Uganda's energy industry.

The third day will take place at the Industry Enhancement Centre (IEC) in Kampala and will provide a unique platform for international suppliers to connect with Ugandan businesses, fostering partnerships and joint ventures that will drive the industry forward. As Uganda prepares to become a key player in the global energy sector, now is the time for companies to position themselves at the forefront of this new chapter.
