AFRICA GAS & LNG SUMMIT

Experience Maputo — Come for the Energy. Stay for the Experience.

Join us in Maputo from 10 November for a unique week that brings together Africa's energy leaders with the opportunity to experience the culture, hospitality and natural beauty of one of Africa's most captivating destivations. Be part of Maputo Day, connect with industry leaders and make the most of your time in Mozambique.

10 NOV | CELEBRATE MAPUTO DAY

Arrive in Maputo in time to experience Maputo Day, the annual celebration of the city on 10 November.

Take the opportunity to explore the capital, enjoy its restaurants, music and vibrant atmosphere, and experience Maputo **alongside the people who call it home.**

It is the perfect way to begin your visit to Mozambique before the business of the Africa Gas & LNG Summit and Exhibition begins.

SUMMIT AND EXHIBITION

From 11 November, the Africa Gas & LNG Summit and Exhibition brings together government and energy ministers, national oil and gas companies, international operators, investors, financiers, project developers, contractors and technology providers to put Africa's gas and LNG opportunity at the heart of the global energy conversation.

Delegates will access a high-level conference and exhibition focused on the projects, investment opportunities, infrastructure and partnerships shaping Africa's gas and LNG future.

From Mozambique's world-class LNG developments to opportunities across Angola, Nigeria, Senegal, Mauritania, Namibia, Congo and beyond, the summit offers a **unique platform to connect with the people driving Africa's energy ambitions.**

13–15 NOV | DISCOVER MOZAMBIQUE

Once the conference and exhibition conclude on 13 November, don't rush home, extend your stay and turn your business trip into an unforgettable experience of Mozambique.

Explore Maputo's historic streets, vibrant markets, waterfront, renowned restaurants and nightilfe, or venture further afield to discover the country's spectacular coastline, white-sand beaches, turquoise waters and extraordinary marine life.

Whether you want to unwind after a busy week of meetings, savour the local seafood, experience Mozambique's renowned hospitality or enjoy secluded islands and wildlife, there's plenty to discover.

Day One | 11 November 2026 - **Africa: The Heart of the New Global Gas Supply Chain**

Executive Conference

07:00 – 09:00 | Registration and Networking

Sponsored by:

Session 1.1: 09:00 – 10:30 | Official Opening: Executive and Technical Delegates

Host Welcome Address: **Dr Elthon Chemane**, Chairperson, Associação de Conteúdo Local de Moçambique (ACLM)

Government Keynotes: Leadership Dialogue, Vision, Policy and Strategic Partnerships

- **Mayor Remarks: H.E. Rasaque Silvano Manhique,** Mayor of Maputo and President of the Municipal Council of Maputo, Republic of Mozambique
- **State Welcome: H.E. Vicente Joaquim Imede**, Secretary of State in Maputo City, Republic of Mozambique
- **Ministerial Remarks: Hon. Estevão Pale,** Minister of Mineral Resources and Energy, Mozambique
- **Keynote Presidential Welcome: H.E. Daniel Chapo**, President, Republic of Mozambique

MOU Signing: 10:30 – 10:40

10:40 – 11:30 | Official AfGLNG Exhibition Tour and Networking

Sponsored by: sasol

Session 1.2: 11:30 – 13:30 – Energy Leaders' Dialogue - The African Gas Opportunity: Turning Resources into Prosperity

- **Keynote Africa Perspective: Engr. Tony Attah**, Managing Director/Chief Executive Officer, Renaissance Energy Company Limited
- **Mozambique Scene Setter: Rudêncio Morais**, Chairperson & Chief Executive Officer, Empresa Nacional de Hidrocarbonetos (ENH), Mozambique
- **Global Gas Scene Setter: Paul Eardley-Taylor,** Gas Sector Lead, Standard Bank
- **Operator Scene Setter: Johanna Boothey**, President, ExxonMobil Mozambique

Moderator: Engr. Elizabeth Rogo, President & Chief Executive Officer, Tsavo Oilfield Services, Kenya

Panellists:

- **Rudêncio Morais**, Chairperson & Chief Executive Officer, Empresa Nacional de Hidrocarbonetos (ENH), Mozambique
- **Sibthayn Rajab**, Senior Vice President: Integrated Gas and Ekandustria, Sasol, South Africa
- **Artur Custódio,** Member of the Board, Agência Nacional de Petróleo, Gás e Biocombustíveis (ANPG)
- **Gregory Goldberg,** Senior Vice President – Commercial, Golar LNG, Nigeria
- **Jean-Pascal Clémençon,** Country Chair, TotalEnergies Mozambique
- **Paul Eardley-Taylor,** Gas Sector Lead, Standard Bank

13:30 – 14:30 Networking Lunch

Sponsored by: sasol

Session 1.3: 14:30 – 16:15: Invest in Mozambique's Gas and LNG - The Projects Defining Africa's Next LNG Wave

Moderator: **Miguel Jóia Santos**, CEO, ExportaMoz

Panellists:

- **Nazário Joel Julião de Jesus Bangalane**, Chairperson, Instituto Nacional de Petróleo (INP), Mozambique
- **João Guirengane**, Head of Corporate and Investment Banking, Standard Bank Moçambique
- **H.E. Brieuc Pont**, Ambassador of France to the Republic of Mozambique
- **Luis Jose Ganje**, Executive Board Member for Business Portfolio, Electricdade de Mozambique (EDM)
- **David Le Mignon**, Senior Business Development Manager - LNG, TotalEnergies
- **Abigail Dressel**, Chargé d'Affaires, Embassy of the United States of America to the Republic of Mozambique

Session 1.4: 16:15 – 17:30 Italian Investment Panel

The Italian Investment Panel will bring together leading Italian energy companies, investors, financial institutions and project developers to explore the growing opportunities for Italian investment across Mozambique and Africa's wider gas and LNG sector. With Italy playing a significant role in the development of major African gas projects, the discussion will examine opportunities for strategic partnerships, project financing, infrastructure development, technology transfer and local content, while highlighting Mozambique's position as a future global LNG powerhouse.

The panel will provide a valuable platform to strengthen Italy Africa energy cooperation, connect Italian expertise with emerging projects, and identify practical pathways to accelerate investment, unlock value and deliver sustainable economic growth across the continent.

Session Remarks: **H.E. Gabriele Annis**, Ambassador of the Republic of Italy to the Republic of Mozambique

Moderator and Scene Setting: **Simone Santi,** President, Mozambique-Italy Chamber of Commerce (CCMI):

Overview of Italian companies' presence, investments and contributions to Mozambique's gas and LNG sector

Panellists:

- **Gianluca Chiricugno**, Africa Executive Director, Baker Hughes
- **Pierporgio Evangelista**, Manager and Director, Renco S.p.A. in Mozambique

- **Yara Georgete Mutisse**, Chief Operating Officer, Leonardo Group
- **Tbc.**, Senior Representative, Eni Mozambique*

MOU Signing: 17:30 – 17:40 *Coral North Jumpers Contract between Baker Hughes and the Oteka Consortium*

#AfGLNG2026

Day Two | 12 November 2026: **Africa's Gas Projects and Investment Opportunities**

08:00 - 09:00 | Registration, Refreshments and Networking

Sponsored by: GRINDROD

EXECUTIVE CONFERENCE

Session 2.1: 09:00 – 09:20 | Opening of Day Two: Executive and Technical Delegates

Opening Ministerial Address: Gas and LNG for Economic Transformation:

- **Hon. Caifadine Paulo Manasse**, Minister of Youth and Sports, Republic of Mozambique

Session 2.2: 09:20 – 10:50: Executive Leaders' Panel: Where Next for African Gas and LNG?

Scene Setter: **Ed Ubong,** Director, Decade of Gas

Moderator: **Engr. Elizabeth Rogo,** President & Chief Executive Officer, Tsavo Oilfield Services, Kenya

Discussion:

- *Where are the next major African gas projects?*
- *What will trigger the next wave of FIDs?*
- *Which projects are commercially competitive?*
- *What is holding investment back?*
- *How important is local content?*

– *Can African LNG compete with Qatar and the US?*

Panellists:

- **Antoine Berel,** VP – Sub Saharan Africa, Halliburton
- **Said Ben Afane Ibouroi,** Senior Manager - Africa and Latin America, International Islamic Trade Finance Corporation (ITFC)
- **Ijeoma Isichei,** Head, Commercial Gas, Sahara Group
- **John Sichinga,** Executive Chairperson, SADC Energy
- **Morganie Gopalan**, Vice President of Gas Business, Sasol

10:50 – 11:20 | Coffee and Exhibition Networking

Sponsored by:

GRINDROD

Session 2.3: 11:20 – 12:50: Gas to Power and Industrialisation - Using Africa's Gas to Power Africa and its people

– How can Africa use its own gas resources to provide reliable power, reduce energy costs and create the electricity base needed for industrialisation?
– What does African industry need from its energy system to invest, expand and create jobs?
– How do we ensure Africa's gas resources become an economic dividend for Africans rather than simply another export commodity?

Moderator: Ranti Omole, Chief Executive Officer, Radial Circle

Panellists:

- **Eng. Grildo Francisco**, Executive Board Member, Copia Group
- **Jorge de Morais,** Founder and Chief Executive Officer, Kaeso Energy Services
- **Alfred Seema**, Group Executive, Eskom
- **Castigo Langa**, Chairperson, AfriGrown
- **Florival Mucave,** Chairperson, Mozambique Energy Chamber

- **Sónia Matsinhe Chembeze**, Vice President, Mozambique Country Management & Corporate Affairs, Sasol
- **Pedro Chissico**, EVP Commercial Affairs & New Ventures, Empresa Nacional de Hidrocarbonetos (ENH)

12:50 – 14:00 | Networking Lunch

Sponsored by: ExxonMobil

Session 2.4: 14:00 – 14:30: Invest in Cabo Delgado Live Q&A with Hon. Valige Tauabo, Governor of Cabo Delgado

Moderator: Dr Elthon Chemane, Chairperson, Associação de Conteúdo Local de Moçambique (ACLM)

Session 2.5: 14:30 – 16:00: Building Africa's Gas Future: Contractors, Infrastructure Developers and Service Companies and the Next Wave of LNG Development

As Africa advances its ambitious gas and LNG projects, contractors, infrastructure developers and service companies will play a critical role in turning the continent's vast resource potential into operational reality. This session will bring together leading EPC contractors, engineering firms, technology providers and oilfield service companies to discuss their strategies for Africa's evolving gas and LNG landscape. From major project execution and infrastructure development to local content, technology innovation and workforce development, panellists will explore where the next opportunities lie, how companies are positioning themselves for upcoming investment and FIDs, and what is needed to accelerate project delivery across Africa.

Moderator: Bolaji Ososami, Managing Director, Triumph Power and Gas Systems Ltd

Panellists:

- **Ozi Honwana**, General Manager, Grindrod
- **Edna Simbine,** Local Content Manager, TotalEnergies
- **Arthur Ename**, Vice President – Global Accounts, Africa, NOV
- **Jaco Human**, Executive Officer, IGUA-SA, Republic of South Africa

- **Epafras Penda Shilongo**, Chief Operations Officer, Namibia Training Authority (NTA)
- **Denilson Francisco,** Business Development Director, Copia Group

15:45 – 16:00 | Coffee and Exhibition Networking served during the sessions

Sponsored by:

Session 2.6: 16:15 – 18:00: Opportunities for Africa's SMEs and Entrepreneurs

This session focuses on ensuring that local businesses benefit from sector growth.

- *Improving access to finance for SMEs*
- *Designing effective supplier development programmes*
- *Showcasing success stories and case studies from Africa's entrepreneurs*

Moderator: Dr Elthon Chemane, President, Associação de Conteúdo Local de Moçambique (ACLM)

Panellists:

- **Eng. Elizabeth Rogo,** President & Chief Executive Officer, Tsavo Oilfield Services, Kenya
- **Ngari Tjejamba**, Tresurer, Economic Association of Namibia
- **Amahoro Lins,** Business Development and Project Management, BCL
- **Filipe Francisco,** Country Manager, Ascending
- **Ranti Omole**, Chief Executive Officer, Radial Circle
- **Bolaji Ososami,** Managing Director, Triumph Power and Gas Systems Ltd
- **Júlia Dias**, Board Adviser, Empresa Nacional de Hidrocarbonetos (ENH)*

Day Three | 13 November 2026 - **Building Africa's Gas Economy = Local Content Masterclasses**

08:00 - 09:00 | Pre-conference Networking

TECHNICAL CONFERENCE

Technical Session 3.1: 09:00 – 11:00: From Skills to Employment: Preparing Africa's Workforce for Gas and LNG Projects

The Africa Gas and LNG Summit and Exhibition will feature a dedicated technical session bringing together leading engineers, technical specialists, project developers and industry experts to explore the latest innovations, technologies and practical solutions shaping Africa's gas and LNG sector.
The session will provide a platform to share technical expertise, discuss operational challenges, showcase best practices and examine opportunities to improve project efficiency, safety, reliability and cost-effectiveness across the gas value chain. By connecting technical leaders with key industry stakeholders, the session will help accelerate project delivery, support the development of Africa's gas resources and strengthen the continent's position in the global energy market.

Presenters:

- **Eddie Cooke**, Chief Executive Officer, LNG Africa
- **Alegria Cossa**, EVP Administration & Finance, Empresa Nacional de Hidrocarbonetos (ENH), Mozambique
- **Reinaldo Almeida**, Director of Institutional Development and Compliance, Instituto Nacional de Petróleo (INP), Mozambique
- **Romuald Cusumano,** Business Development Manager – Africa & Europe, Flowserve
- **Dr. Edmilson Praia**, Director, Copia Group

11:00 – 11:15 | Coffee and Exhibition Networking

Technical Session 3.2: 11:15 – 12:30: Field Readiness: Building a Skilled Workforce for Africa's Gas and LNG Sector

This session will bring together industry leaders, training providers, technical specialists and project developers to explore how Africa can build a skilled, safety-conscious and operationally ready workforce for its growing gas and LNG sector.

The session will examine practical approaches to bridging the gap between technical education and workplace requirements, strengthening industry-led training and preparing local talent to meet the demands of major energy projects. Through discussion of employer needs, competency standards and pathways into employment, it will highlight how investment in people can improve project performance, strengthen local content and create lasting economic opportunities across Africa's gas value chain.

Chair: Helio Sixpence, Managing Director, Field Ready Moçambique

Presenters:

- **Leo Jamal**, Secretary of State for Technical and Vocational Education, Republic of Mozambique
- **Francisco Augusto**, VP Operations & Maintenance, Sasol
- **Dr Eugenia Dula**, Director, Career Development Center, Universidade Eduardo Mondlane (UEM)
- **Yara Nakwimba**, Workforce Enablement Advisor, ExxonMobil, Mozambique
- **Agostinho Cosme Manje**, Director-General, Alberto Cassimo Institute for Vocational Training and Labour Studies (IFPELAC)
- **Zefanias Moiane**, Director: Human Resources Management, Electricidade de Moçambique, E.P. (EDM)
- **Tbc.,** Senior Representative Training, Empresa Nacional de Hidrocarbonetos (ENH), Mozambique

12:15 – 15:00 | Exhibition Networking – Open to all delegates and visitors
