ABOUT ADIS

The **Abu Dhabi Infrastructure Summit (ADIS)** is a flagship international platform showcasing Abu Dhabi's infrastructure achievements and future project pipelines within the context of global infrastructure and construction trends.

By convening government leaders, industry CEOs, investors, and strategic decision-makers, ADIS fosters high-value partnerships and enables meaningful dialogue that drives progress, reinforcing its position as a **leading global forum for excellence in smart city development, infrastructure delivery, and future-ready lifestyles.**

ADIS 2025 JOURNEY: ABU DHABI | SINGAPORE | CHINA | TÜRKIYE

ADIS 2025 HIGHLIGHTS

On 17–18 June 2025, Abu Dhabi Projects and Infrastructure Centre (ADPIC) hosted the inaugural Abu Dhabi Infrastructure Summit (ADIS), establishing a new global platform to showcase the Emirate's current and future infrastructure pipeline and enable meaningful collaboration with public and private sector partners.

The Summit, attended by **H.H. Sheikh Khaled bin Mohamed bin Zayed Al Nahyan**, Crown Prince of Abu Dhabi and Chairman of the Abu Dhabi Executive Council, welcomed over 4,100 participants from more than 100 countries, including government leaders, diplomats, and C-suite executives, generating strong international interest in Abu Dhabi's expanding infrastructure and construction pipeline.

In October 2025, the **ADIS International Roadshow Programme** was launched, with engagements in Singapore, Türkiye, and Shanghai connecting international investors, developers, contractors, and financial institutions, transforming the Summit into a year-round, globally connected engagement platform that converts dialogue into deal exploration.

ADIS 2025 TESTIMONIALS

"The inaugural edition of ADIS provided a timely platform for public and private sector industry stakeholders to connect and explore potential areas of collaboration as Abu Dhabi solidifies its position as one of the world's most desirable destinations to invest, live, and visit. As the summit's official real estate partner, Aldar looks forward to playing an active role in the delivery of the hard and soft infrastructure that will further elevate the Abu Dhabi experience."

Adel Abdulla Albreiki
CEO, Aldar Projects

"On behalf of Bloom Holding, we are incredibly proud to have been part of ADIS as a strategic partner. It was an exceptional platform that brought together the most influential voices shaping the future of real estate and infrastructure in the region"

Carlos Wakim
CEO, Bloom Holding

"Global infrastructure partnerships must go beyond financing and foster inclusive growth, sustainability, innovation and shared value creation. ADIS served as a crucial event and brought together the stakeholders that will drive the future of infrastructure and how we build it together."

Fuat Kasimcan
Secretary General, TCA

"ADIS is an enabler—it brings together local and foreign investors, innovators, planners, and developers to be part of Abu Dhabi's vision. This forum is where planning meets opportunity, and where real impact on the economy begins."

Mounir Haidar
Managing Partner, LEAD Development

"ADIS is the region's most important gathering for infrastructure leaders, local and international key players. The first edition is already a success, great participation from the industry and inspiring vision and strategy expressed by his Excellencies during the opening speeches."

Marc Milosevic
CEO, Gridora

ADIS 2025 EXHIBITION

The ADIS 2025 exhibition floor showcased future infrastructure projects and leading-edge innovations, offering attendees direct access to developers, contractors, and service providers shaping Abu Dhabi's urban development landscape.

Designed as a highly interactive environment, the exhibition enabled meaningful engagement, face-to-face dialogue, and the formation of long-term partnerships across the infrastructure ecosystem. The inaugural edition featured a carefully curated mix of regional and international organisations with a proven track record in delivering complex infrastructure and urban development projects.

ABU DHABI

THE URBAN EVOLUTION: RETHINKING CITIES, REDEFINING HOW WE LIVE

The Urban Evolution theme is not about building more but building better; creating adaptive, resilient, and economically dynamic cities that deliver world-class liveability while ensuring sustainability. Abu Dhabi stands at the forefront of this global shift, setting a global benchmark for governance, execution excellence, and measurable urban outcomes that directly improve how people live, work, and thrive.

THE URBAN EVOLUTION: RETHINKING CITIES, REDEFINING HOW WE LIVE

From Vision to Delivery: Building Better Cities, Faster

ADIS 2026 FOCUS AREAS

- **Delivery-first platform:** Focus on implementation, megaproject governance, and execution excellence
- **Capital projects at scale:** Showcase Abu Dhabi's capabilities in planning, financing, and delivering complex large-scale infrastructure and urban developments
- **Global call to action:** Advancing from ambition to measurable outcomes that enhance liveability, resilience, and economic competitiveness

URBAN WELLBEING

Better places, better services, and better quality of life outcomes

DELIVERY

Faster, safer, and predictable project delivery at scale

SUSTAINABILITY & RESILIENCE

Low carbon development, circular economy principles, and climate-ready cities

GOVERNANCE & PARTNERSHIPS

Innovative funding models, accountability frameworks, cross-sector collaboration, and transparency

ADIS 2026 moves beyond dialogue to delivery. **It is where policy, capital, and capability converge to turn urban ambition into executable reality**, enabling partnerships, governance frameworks, and execution strategies that turn vision into tangible and measurable impact.

THE WORLD'S MOST ANTICIPATED INFRASTRUCTURE SUMMIT

At the heart of one of the world's most ambitious urban transformations, ADIS 2026 is where global leaders shape the future of cities through delivery-driven dialogue, high-value partnerships, and execution-focused collaboration
