Alternatives

Another option is to choose a hotel with a car park and reserve a space through the hotel.

Alternatively transport your veteran car to London prior to the Run, park the tender vehicle on the road using parking meters for off-loading, then move your veteran car to your chosen car park or hotel car park. The tender vehicle can then be driven to Brighton and parked in tender parking on Madeira Drive, using a tender vehicle pack. Tender vehicle packs can be purchased via the entry process. Tender parking in Brighton, Madeira Drive, is available from: Thursday 4 November (12:00 noon) – Monday 8 November (12.00 noon). Please note, as detailed in our rules and regulations, tender vehicles are not allowed on the Run route unless dealing with a stranded vehicle. Details of the tender vehicle route will be published in due course.
