Fully CE Certified

All products comply with EU safety standards and have supporting CE certification

Extended Parts Warranty

All machinery is provided with a 2 year parts warranty so customers can buy with complete confidence

Quality Customer Support

Advice from our team of experienced engineers with year-round mechanical support and testing in our workshop

Spare Parts

We keep spare parts on the shelf to complement our extensive range of agricultural products

Large Stocks

We stock a variety of attachments in our warehouse. We are continually introducing products to our existing ranges

Delivered Across the UK

As well as local collection from our distributor network, we also offer competitively priced UK pallet delivery

Winton Pro offers a wide range of tractor attachments suitable for groundcare professionals.

Attachments are supplied to amenities, councils, golf clubs & sports clubs to name a few. We are also a leading supplier of attachments to suit the FA approved grass pitch maintenance funding grants.

The range of attachments have been specifically selected into our range to offer bespoke features to suit industry requirements. Our range offers the very best available from a variety of European & UK based manufacturers.

Most items are held in stock in the UK and can be delivered to the customer within a working week or less. In conjunction with our dealer network, we are also happy to demonstrate equipment on site (where feasible), to make sure you have the right attachments for your bespoke requirements.

We have a UK wide dealer network who provide excellent advice and installation to make sure you are getting the most out of your attachments.

Product Information & Videos

Finishing Mowers

Height-adjustable wheels for a 1.9-10cm cut	Front mountable versions available
Cast iron 540 RPM gearbox	Rear-style discharge to disperse clippings
Category 1 3-point linkage	Belt-driven blades

Applications

- ▶ Lawns
- ▶ Sports pitches
- ▶ Parklands & estates
- ▶ Golf courses
- ▶ Campsites

Specifications

Model No	Working Width	HP	Blade Qty	Weight	Price Ex Vat
R-FM180	180cm	20+	3	226kg	£2,325
R-FM235	235cm	35+	5	300kg	£2,615
WFMRK180	Rear Roller Kit				£697
WFMRK235					£765

Ideal for regular cutting of flat and reasonably level areas using three (or five) rotary blades. Achieving a presentation finish, this is the perfect finishing mower for commercial use.

The rotary blades create a close-cut finish and the height-adjustable wheels help to stabilise and leave an even cut. More suited to regularly maintained grass rather than overgrown areas.

The optional rear kit adds a striped presentation finish to the cut and levels off uneven ground.

Mow & Carry Finishing Mowers

Height-adjustable wheels for a 1.9-10cm cut	Collect clippings as you go
Cast iron 540 RPM gearbox	Rear-style discharge to collect clippings
Category 1 3-point linkage	High tip mechanism for optimal control

Applications

- ▶ Lawns
- ▶ Sports pitches
- ▶ Parklands & estates
- ▶ Golf courses
- ▶ Campsites

Specifications

Model No	Working Width	HP	Weight	Price Ex Vat
R-FMC150	150cm	25+	427kg	£8,595
R-FMC180	180cm	32+	468kg	£9,658

Ideal for regular cutting of flat and reasonably level areas using three rotary blades. Achieving a presentation finish, this is the perfect finishing mower for commercial use. The unique mow & carry technology enables the user to cut & collect clippings as you go.

The tipping function has an adjustable height feature to enable either a low or high tip depending on the users requirements.

Requires one double acting hydraulic spool to operate tip mechanism.

The rotary blades create a close-cut finish and the height-adjustable wheels help to stabilise and leave an even cut. More suited to regularly maintained grass rather than overgrown areas.

Multicut Finishing Mowers

Height-adjustable wheels for a 2.5-10cm cut	Mounted & trailed options
Cast iron gearboxes	Rear-style discharge to disperse clippings
Folding unit for simple transportation	6-9mph operating speed

Applications

- ▶ Lawns
- ▶ Sports pitches
- ▶ Parklands & estates
- ▶ Golf courses
- ▶ Campsites

Specifications

Model No	Working Width	Mounted/Trailed	HP	Weight	Price Ex Vat
R-MCM360	360cm	Trailed	26+	970kg	£16,667
R-MCM430	430cm		45+	1,134kg	£16,736
R-MCM450	450cm		55+	1,176kg	£18,053
R-MCM520	520cm		60+	1,245kg	£18,745
R-MCM565	565cm		75+	1,292kg	£21,731
R-MCM360F	360cm	Front Mounted	26+	970kg	£18,052
R-MCM430F	430cm		45+	1,134kg	£18,122
R-MCM450F	450cm		55+	1,176kg	£19,438
R-MCM520F	520cm		60+	1,245kg	£20,130
R-MCM565F	565cm		75+	1,292kg	£23,594

With an operating range up to 5.65m, the Multicut increases productivity and cuts the time and costs of maintaining sports fields, parks, fairways and large grassed areas in general. Requires one double acting hydraulic spool to operate tip mechanism.

Drive is transmitted through a universal joint to a fourway box and then by means of three more universal joints to the three cutting devices which operate independently. This provides a stable and level cutting platform enabling a quality finish and covers vast areas at a time.

Turf Groomers

Multi action system, save time & money	Carry tray for fertiliser, seed or tools
Slitter, rake, roller & brush all in one	Dual row brushes
FA grant recommended attachment	Replaceable slitter blades

Applications

- ▶ Lawns
- ▶ Sports pitches
- ▶ Cricket outfields
- ▶ Golf courses
- ▶ Estate management

Specifications

Model No	Working Width	HP	Weight	Price Ex Vat
R-MT150	150cm	20+	240kg	£3,806
R-MT180	180cm	25+	290kg	£4,346

The ultimate sports pitch management attachment. In one pass, the combination turf groomer will slit the grass to aerate the soil, clear the surface with the rake tines, roll the surface flat with a striping effect and then clean off with the brush.

This attachment saves money & time by combining multiple jobs into one pass.

The handy carry tray also gives a space to carry fertiliser, seed bags, tools and other items. The most effective way to clean and maintain a sports club surface with a compact tractor.

Sand Spreader & Top Dressers

700L capacity	Drawbar or 3 point linkage mounted
Low impact turf style tyres	Adjustable flow rate via notch selector
Hydraulic tipping mechanism for self loading	Direct drive, no PTO required

Applications

- ▶ Recreation grounds
- ▶ Sports pitches
- ▶ Parklands & estates
- ▶ Golf courses
- ▶ Lawns

Specifications

Model No	Working Width	Capacity	HP	Weight	Price Ex Vat
R-SAN400	100cm	400L	20+	290kg	£6,750
R-SAN700	150cm	700L	25+	330kg	£7,085
R-SBH	Hydraulic Ram Kit				£760

The sand spreader and top dresser enables users to cover areas effectively and consistently with sand. This helps fight against thatch and is great when used in conjunction with aerating. The sand bed also helps to flatten the lawn and adds a layer of protection.

Requires one double acting hydraulic spool to operate tip mechanism.

Sand improves the grass and soil making for a better surface. Sports pitches where players have spiked footwear benefit from the sand layers which protect the grass and soil.

With the addition of the hydraulic ram kit, the bed tilts into the sand for quick and easy loading.

Aerators

Various drum/tine styles available	Interchangeable rotor system
Deep tine slitter as standard	Rear roller kit available
FA grant recommended attachment	Replaceable slitter blades

Applications

- ▶ Lawns
- ▶ Sports pitches
- ▶ Cricket outfields
- ▶ Golf courses
- ▶ Estate management

Specifications

Model No	Working Width	Tine Type	HP	Weight	Price Ex Vat
R-AER5C1	130cm	10cm blades	20+	200kg	£3,525
R-AER5C2		20cm blades		240kg	£3,262
R-AER5LO		14cm open tines			£3,960
R-AER5N		10cm non recovery tines			£3,858
R-AER5R		44cm field roller			£2,403
R-AER5L		10cm recovery tines		250kg	£4,508
R-AER6C1	180cm	10cm blades	25+	250kg	£4,528
R-AER6C2		20cm blades		290kg	£4,262
R-AER6LO		14cm open tines		320kg	£5,482
R-AER6N		10cm non recovery tines			£5,417
R-AER6R		44cm field roller		290kg	£3,603
R-AER6L		10cm recovery tines		370kg	£6,953

Ideal for opening up heavily poached or compacted ground. Using the aerator regularly improves drainage. It also reduces dependency on expensive artificial fertiliser use. This means it is also good for the environment.

The interchangeable rotor system enables the rotor to be interchanged with various configurations to suit individuals requirements.

The rear roller kit pictured is an optional extra, please contact us for more information on availability & pricing.

Hedge Cutters & Trimmers

Heavy duty design	3 point linkage stabiliser kit
Ergonomic build to suit compact tractors	Manual lever controls
Hydraulic break back safety mechanism	PTO driven, no spools required

Applications

- ▶ Hedge tops and sides
- ▶ Tricky verges
- ▶ Paddocks & pasture
- ▶ Ditches & gullies
- ▶ Bridlepaths

Specifications - Hedge Cutter Frames Only
