Event overview:

Come join us for an up-close look at the AUAVS Remote Operations Centre, where we'll be unveiling the capabilities of the AUAVS Drone in a Box (DIAB) system. This in-person demo day is a unique opportunity to witness live DIAB operations, showcasing the innovation and effectiveness of our technology in search and rescue scenarios. Discover firsthand how AUAVS is revolutionising UAV applications for Surf Life Saving NSW and our emergency service partners.

Who should attend?

This event is tailored for professionals in search and respond, emergency response, and UAV technology.

Registration inclusions:

This field trip includes catered morning tea and lunch breaks.
