LEGAL INNOVATION & TECH FEST

1,278 followers

Day 2 at the Legal Innovation and Tech Fest 2024 Keynote Kicks off with Dr. Sarah McKay, Neuroscientist & Director, The Neuroscience Academy 'On the Same Wavelength'.

Speaker Sneak Peak

Nick Abrahams, Global Co-leader Digital Transformation, Norton Rose Fulbright
Sink or Soar: Survival Strategies for Lawyers Navigating the AI Revolution
Nick has been a corporate technology partner at Norton Rose Fulbright for over twenty years, spending the last nine years in global technology and innovation leadership roles. Currently he is the Global Leader of the firm's digital transformation practice.
[Click Here](#) for session details and more about Nick.

Anthony Kearns, Chief Client Experience Officer and Practice Leader, Consulting, Lander & Rogers
Why Advocacy, being Right and Rationality don't Work. What Most Lawyers get Wrong About Change
Anthony has extensive experience working with the General Counsel and in-house legal teams of many of Australia's largest companies. He also provides individual executive coaching to General Counsel and Heads of Legal.

John Wallace
APAC Government Advisor & Consultant
