## Product Index

Organizer:

Deutsche Messe

**Keyword Product Index**

**Agrigultural machinery for crop production**

**Tractors**

Wheeled tractors

Crawler tractors

System tractors

Special tractors

Other tractor products

Pasture equipment

Husbandry technology and housing systems

**Mobile loaders**

Compact loaders

Bale loaders

Telehandlers

Wheeled loaders

Front and rear loaders

Forklifts

Lift trucks, pallet trucks

Loading / stacking accessories

Other mobile loader products

**Transport equipment and technology**

Transport vehicles

Animal transport

Trailers

Transport containers

Loading facilities

Hauliers

Other transport equipment and technology

**Tillage and seed-bed preparation**

Ploughs

Deep cultivators

Cultivators

Field and seeding harrows

Rotary harrows

Cultivator drills

PTO powered cultivators

Rollers and presses

Other cultivation and seedbed preparation equipment

**Seeding technology and seed placement**

Drills

Precision drills

Min-till drills

Direct drills

Combination drills

Grass seeders

Re-seeders

Planters

Trial plot machinery and products

Other seeding and seed placement equipment

Product Index | 3

<b>Keyword Product Index</b>
<b>Fertilizer application</b>
Organic fertilizer application
Mineral fertilizer application
Mineral fertilizer spreaders
Liquid fertilizers
Other fertilizing equipment
<b>Technology for pest control</b>
Chemical pest control
Mechanical weed control
Thermal weed control
Other weed control equipment
<b>Irrigation</b>
Sprinklers
Drip irrigation systems
Pumps
Piping
Irrigation accessories
Other irrigation equipment
<b>Drainage</b>
Drainage equipment
Drainage accessories
Other drainage equipment
<b>Harvesting technology</b>
Combine harvesters
Lifters
Forage harvesters
Mowers
Forage tedding and conditioning
Balers
Other harvesting technology
<b>Fruit, vegetable and special crops</b>
Special crop equipment
Fruits
Vegetable growing
Viticulture
Other special crops
Other special fruit, vegetable and other special crop equipment
<b>Farmyard and pasture</b>
Farmyard equipment
Pasture equipment
<b>Plant breeding and seeds</b>
Seeds
Harvesting
<b>Renewable energies</b>
Wind turbines
Photovoltaics
Solarthermics

Product Index | 4

<b>Keyword Product Index</b>
<b>Farm inputs and consumables</b>
Fertilizers
Plant protection products
Cleaning and conservation
Lubricants and fuels
Storing inputs and consumables
Silage additives
Other farm inputs and consumables
<b>Technology for precision and digital farming</b>
Technology for precision and digital farming
Electronic farm management systems
Other digital and future farming systems / Electronic systems
<b>Crop measuring and weighing systems</b>
Measuring and weighing
Other products for weighing and measuring crops
Metrology
Remote monitoring
<b>Crop handling, packaging and storage</b>
General farm equipment
Grain equipment
Forage and straw equipment
Packing materials
Other products for food processing, packaging, marketing
<b>Direct selling, trading, stock exchange</b>
Trading
Stock exchange
Fuel trading
<b>Energy supply companies and grids</b>
Energy supply companies
<b>Management, consultancy and services</b>
Management
Consultancy
Financing
Quality assurance systems
Services
Other aspects in management, consulting and services
<b>Training and further training, training and further education</b>
Research, science
Training and further education
<b>Associations and media</b>
Associations, societies, clubs
Organisations
Publishers
Press
Specialist authority
Information shows
Spotlights / Special shows

Product Index | 5

<b>Keyword Product Index</b>
Collective shows
Trade fairs and exhibitions
Machinery demonstrations
Other aspects in associations and media
<b>Used machine trade</b>
Used machines
Used machines on sale (magazines, Internet)
Used machine parts on sale (magazines, Internet)
Financing (used equipment)
Logistics (used equipment)
Hauliers (used equipment)
Customs clearance
Other aspects in used machine trading
<b>Workshop equipment and occupational safety</b>
Workshop equipment
Cleaning and estate maintenance equipment
Occupational safety, health protection, first aid
<b>Machinery and equipment for extensive livestock farming</b>
<b>Feeding technology</b>
Diet mixers and mixer feeders
Silage cutters
Bale splitters
<b>Feed storage, feed production</b>
Feed silos, feed bins, feed storage
<b>Livestock equipment and accessories</b>
Animal markers
Scales, livestock scales, weighbridges
Sensors related to animal husbandry
<b>Supply industry for agricultural machinery</b>
<b>Drivetrains and components</b>
<b>Engines, motors and components</b>
<b>Vehicle cabs and components, linkage and mounting systems</b>
<b>Hydraulics and components</b>
<b>Tyres and wheels</b>
<b>Vehicle electrics and electronics</b>
<b>Wear parts</b>
<b>Spare and replacement parts</b>
<b>Tanks</b>
